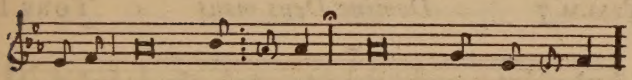
THE 1st EVENING

PSALM 6 *Domine ne in furore* TONE II



O LÓRD, rebúke me nót in thine indig-*ná*-tion : neither chásten me in thý *dis*-pléa-sure.

2 Have mércy upon me, O Lórd, for I am *wéak* : O Lórd, héal me, for my bónes *are* véx-ed.

3 My sóul also is sóre *tróu*-bled : but Lórd, how lóng wilt *thou* púnish me?

4 Túrn thee, O Lórd, and delíver my *sóul* : O sáve me for *thy* mércies' sake.

5 For in déath no man remémbereth *thée* : and whó will give thee thánks *in* the pít?

6 I am wéary of my gróaning ; évery níght wash I my *béd* : and wáter my cóuch *with* my téars.

7 My béauty is góne for very *tróu*-ble : and wórn awáy because of áll *mine* énemies.

8 Awáy from me, all yé that work *vá*-ni-ty : for the Lórd hath héard the voíce of *my* wéep-ing.

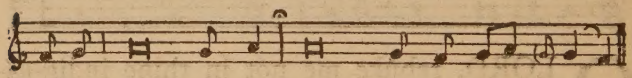
9 The Lórd hath héard my pe-*ti*-tion : the Lórd will *re*-ceíve my prayer.

10 All mine énemies shall be confóunded, and sóre *véx*-ed : they shall be túrned báck, and put to *sháme* súd-den-ly.

Glóry be to the Fáther, and to the *Són* : and to *the* Hó-ly Ghost.

As it was in the begínning, is nów, and éver *sháll* be : wórld withóut *énd*. A-men.

PSALM 7 *Domine Deus meus* TONE I



O LÓRD my Gód, in thée have I pút *my* trúst : sáve me from áll thém that pérse-cute me, *and* de-lí-ver me.

2 Lést he devoúr my soúl, like a líon, and téar it in *pie*-ces : while *there* is nöne to hélp.

3 O Lórd my Gód, if I have done ány *such* thíng : or íf there be any wick-*ed*-ness ïn my händs.

4 If I have rewárded évil unto him that dealt fríendly *with* me : yéa, I have delívered him that without ány cáuse *is* mine ë-ne-mÿ.

5 Then let mine énemy pérsecute my sóul, and *táke* me : yéa, let him tréad my lífe dówn upon the eárth ; and láy mine *hó*-nour ïn the düst.

6 Stánd up, O Lórd, in thy wráth; and líft up thysélf, becáuse of the indignátion of mine é-*ne*-mies : aríse up for mé in the júdgement which thóu *hast* com-män-dëd.

7 And so shall the congregátion of the péople cóme a-*bóut* thee : for theír sakes thérefore lift *up* thy-sëlf a^gaïn.

8 The Lórd shall júdge the péople; give séntence with me, *O* Lórd : accórding to my ríghteousness; and accórding to the ínnocency *that* is ïn më.

9 O let the wíckedness of the ungódly cóme to *an* énd : but *guíde* thou thë jüst.

10 For the rígh-*teous* Gód : tríeth the *vé*-ry hëarts and^reïns.

11 My hélp cómeth éven *of* Gód : who presérveth thém *that* are trüe of^hëart.

12 Gód is a ríghteous Júdge, stróng and *pá*-tient : and Gód is pro-*vók*-ed ëv-ery^däy.

13 If a mán will not túrn, he will whét *his* swórd : he hath bént his bów and *made* it rëa-dÿ.

14 He hath prepáred for him the ínstruments *of* déath : he ordaíneth his árrows agaínst the *pér*-se-cü-törs.

15 Behóld, he trávaileth with *mís*-chief : he hath conceíved sórrow, and bróught *fórth* un-göd-li^nëss.

16 He hath gráven and dígged up *a* pít : and is fállen himsélf into the destrúction that he *made* for öth-ër.

17 For his trávail shall cóme upon his *ówn* héad : and his wíckedness shall fáll *on* his öwn päte.

18 I will give thánks unto the Lórd, accórding to his rígh-*teous*-ness : and I will praíse the Náme *of* the Lörd most^Hïgh.

PSALM 8 *Domine Dominus noster* TONE VIII

O LÓRD our Góvernour, how éxcellent is thy Náme in áll the *wórld* : thou that hast sét thy glóry a-*bóve* the héa-vens.

2 Out of the móuth of very bábes and súcklings hast thou ordáined stréngth, becáuse of thine *é*-ne^mies : that thou mightest stíll the énemy, and *the* a-vén-ger.

3 For, I will consíder thy héavens, éven the wórks of thy *fín*-gers : the móon and the stárs, which thóu *hast* or-daín-ed.

4 Whát is mán that thou art míndful of *hím* : and the són of mán, that thou *ví*-si-test hím ?

5 Thou mádest him lówer than the *án*-gels : to crówn him with gló-*ry* and wór-ship.

6 Thou mákest him to háve domínion óver the

wórks of thy *hánds* : and thóu hast put áll thíngs in subjéction *ún*-der his féet.

7 All shéep and *óx*-en : yéa, and the *béasts* of the fíeld.

8 The fówls of the aír, and the físhes of the *séa* : and whátsoever wálketh through the *páths* of the séas.

9 O Lórd our *Gó*-ver^nour : how éxcellent is thy *Náme* in áll the^wórld.

Glóry be to the Fáther, and to the *Són* : and *to* the Hó-ly^Ghóst.

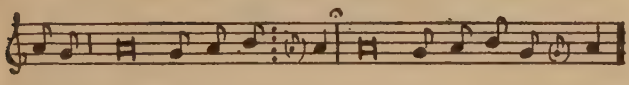
PSALM 12 *Salvum me fac* TONE IV



HÉLP ME, Lórd, for thére is not óne gód-*ly* mán léft : for the faíthful are mínished from amóng *the* chíl-dren of mén.

2 They tálk of vánity évery one *with* his neíghbour : they dó but flátter with their líps, and dissém-*ble* in their dóu^ble héart.

3 The Lórd shall róot out áll de-*ceít*-ful líps : and the tóngue *that* spéak-eth próud thíngs ;

4 Which have saíd, With our tóngue will *wé* pre-

5 Nów for the cómfortless tróubles' sáke *of* the née-dy : and becáuse of the *déep* sígh-ing of^the póor,

6 I will úp, *saith* the Lórd : and will hélp évery óne from hím that swélleth agaínst him, and *will* sét him at rést.

7 The wórds of the Lórd *are* púre wórds : éven as the sílver, which from the éarth is tríed; and púrified *sé*-ven tímes in^the fíre.

8 Thóu shalt kéep *them*, O Lórd : thóu shalt preséerve him from thís gene-*rá*-tion for év-er.

9 The ungódly wálk on *év*-ery síde : whén they are exálted, the chíldren of *mén* are pút to^re--búke.

Glóry be to the Fáther, and *to* the Són : *and* to the Hó^ly Ghóst.

3 Consíder, and héar me, O Lórd my *Gód* : líghten mine éyes, that I *sléep* not in dëath.

4 Lést mine énemy sáy, I have preváiled a-*gaínst* him : for íf I be cást dówn, théy that tróuble me *will* re-joíce^at ït.

5 But my trúst is in thy *mér*-cy : and my héart is jóyful in *thy* sal-vá-tïon.

6 I will síng of the Lórd, becáuse he hath déalt so lóvingly *with* me : yéa, I will praíse the Náme of the *Lórd* most Hígh-ëst.

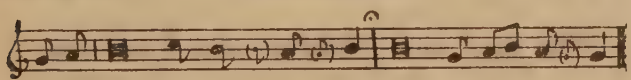
PSALM 14 *Dixit insipiens* TONE VI



THE FÓOL hath *said* in his héart : *Thére* ïs nó Gód.

2 Théy are corrúpt, and becóme abóminable *in* their dó-ings : thére is nóne that dó-*eth* göod, nó not^óne.

3 The Lórd lóoked dówn from héaven upón the *chíl*-dren of mén : to sée if there were ány that would únderstánd, *and* sëek áf-ter^Gód.

4 But thév are áll gone óut of the wáy; thév are áltógether becóme a-*bó*-mi-na-ble : thére is nóne that dó-*eth* göod, nó not^óne.

5 Their thróat is an ópen sépulchre, with their tóngues have *thév* de-ceív-ed : the poíson of ásps is *ún*-dër their líps.

6 Their móuth is fúll of *cúrs*-ing^and bít^ter--ness : their féet are *swíft* tö shéd blóod.

7 Destrúction and unháppiness is ín their wáys, and the wáy of péace *have* they nót knówn : thére is no féar of *Gód* bë-fóre their^éyes.

8 Háve they no knówledge, that thév are áll such *wórk*-ers^of mís-chief : eáting up my péople as it wére bréad, and cáll *not* üp-ón the^Lórd ?

9 Thére were they bróught in gréat féar, éven *where* no féar was : for Gód is in the generátion *of* thë rígh-teous.

10 As for yóu, ye have máde a móck at the *cóun*-sel of^the póor : becáuse he pútteth *his* trüst in the^Lórd.

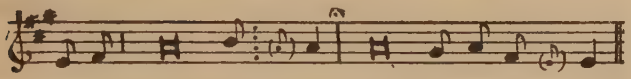
THE 3rd EVENING

PSALM 18 *Diligam te Domine* TONE VIII



I WILL lóve thee, O Lórd, my stréngth ; the Lórd is my stóny róck, and mý de-*fénce* : my Sáviour, my Gód, and my míght, in whóm I will trúst ; my búckler, the hórn álso of mý salvátion, *and* my ré-fuge.

2 I will cáll upón the Lórd, which is wórthy to be *prái*-sed : só shall I be sáfe *from* mine é-ne-mies.

3 The sórrows of déath cómpassed *mé* : and the óverflówings of ungódliness *máde* me a-fráid.

4 The paíns of héll came a-*bóut* me : the snáres of déath *o*-ver-tóok me.

5 In my tróuble I will cáll upon the *Lórd* : and complaín *un*-to mý Gód.

6 Só shall he héar my voíce out of his hóly *tém*-ple : and my cómplaint shall cóme befóre him ; it shall énter éven *in*-to hís éars.

7 The éarth trémbled and *quá*-ked : the véry foundátions álso of the hílls shóok, and were remóved, be-*cáuse* he was wróth.

8 There wént a smóke óut in his *pré*-sence : and a consúming fíre óut of his móuth, so that cóals were *kín*-dled at it.

9 He bówed the héavens álso, and cáme *dówn* : and it was dárk *ún*-der his féet.

10 He róde upón the chérubims, and did *flý* : he came flýing upón the *wings* of the wínd.

11 He máde dárkness his sécret *pláce* : his pavílion róund abóut him ; with dárk wáter, and thíck *clóuds* to cóv-er^him.

12 At the bríghtness of his présence his clóuds re-*mó*-ved : haíl-*stónes*, and cóals of^fíre.

13 The Lórd also thúndered out of héaven, and the Híghest gáve his *thún*-der : haíl-*stónes*, and cóals of^fíre.

14 He sént out his árrows, and scáttered *them* : he cást forth líghtnings, *and* de-stróy-ed^them.

15 The sprígs of wáters were séen ; and the foundátions of the róund wórld were discóvered, at thy chíding, O *Lórd* : at the blásting of the bréath of *thý* dis-pléa-sure.

16 Hé shall sénd dówn from on hígh to *fétch* me : and shall táke me óut of *má*-ny wá-ters.

17 Hé shall delíver me from my stróngest énemy, and from thém which *háte* me : for théy are too *míght*-ty for me.

18 They prevénted me in the dáy of my *tróu*-ble : but the Lórd was *mý* up-hóld-er.

19 He bróught me fórth álso into a pláce of *lí*-ber^ty : he bróught me fórth, éven becáuse he hád a *fá*-vour ún-to^me.

20 The Lórd shall rewárd me áfter my ríghteous

déal-ing : accórding to the cléanness of my hánds shall he *ré*-com-pense me.

21 Becáuse I have képt the wáys of the *Lórd* : and have nót forsáken my Gód, *as* the wíck--ed^dóth.

22 For Í have an éye unto áll his *láws* : and will nót cast óut his com-*mánd*-ments fróm me.

23 I was álso uncorrúpt be-*fóre* him : and eschéwed *mine* own wíck-ed^ness.

24 Thérefore shall the Lórd rewárd me áfter my ríghteous *déal*-ing : and accórding unto the cléanness of my hánds *in* his éye-sight.

25 With the hóly thou shált be *hó*-ly : and with a pérfect mán thou *shált* be pér-fect.

26 With the cléan thou shált be *cléan* : and with the fróward thou *shalt* léarn fró-ward^ness.

27 For thóu shalt sáve the péople that are ín ad-*vér*-si^ty : and shalt bríng dówn the *hígh* lóoks of the^próud.

28 Thou álso shalt líght my *cán*-dle : the Lórd my Gód shall máke my *dárk*-ness to be^líght.

29 For in thée I shall discómfit an hóst of *mén* : and with the hélp of my Gód I shall léap *ó*-ver the wáll.

30 The wáy of Gód is an úndefíled *wáy* : the wórd of the Lórd álso is tríed in the fíre ; hé is the defénder of all thém that *pút* their trúst in^hím.

31 For whó is Gód, but the *Lórd* : or whó hath ány *stréngth*, ex-cépt our^Gód ?

32 It is Gód, that gírdeth me with stréngth of *wár* : and máketh *my* wáy pér-fect.

33 He máketh my féet like *hárts'* feet : and sét-*teth* me úp on^hígh.

34 He téacheth mine hánds to *fíght* : and mine árms shall bréak é-*ven* a bów of^stéel.

35 Thóu hast gíven me the defénce of thý sal-*vá*-tion : thy ríght hand álso shall hóld me úp ; and thy lóving corréc-*tion* shall máke me^gréat.

36 Thóu shalt make róom enough únder me fór to *gó* : that my *fóot*-steps sháll not^slíde.

37 I will fóllow upon mine énemies, and óver--*táke* them : neíther will I túrn agaín till I *háve* de-stróy-ed^thém.

38 I will smíte them, that théy shall nót be áble to *stánd* : but fáll *un*-der mý féet.

39 Thou hast gírded me with stréngth únto the *bát*-tle : thou shalt thrów dówn mine é-*ne*-mies ún-der^me.

40 Thou hast máde mine énemies álso to túrn their bácks up-*ón* me : and I shall destróy *them* that háte me.

41 They shall crý, but there shall be nóne to *hélp* them : yéa, éven unto the Lórd shall they crý, but he *sháll* not héar them.

42 I will béat them as smáll as the dúst befóre the *wind* : I will cást them óut as the *cláy* in the stréets.

43 Thou shalt delíver me from the strívings of

the *péo*-ple : and thóu shalt máke me the héad *of* the héa-then.

44 A péople whom I háve not *knówn* : — shall sérve me.

45 As sóon as they héar of me, théy shall o-*béy* me : but the stránge chíldren shall dis-*sém*-ble wíth me.

46 The stránge chíldren shall *fail* : and be afraíd óut *of* their prí-sons.

47 The Lórd líveth, and bléssed be my stróng *hél*-per : and praísed be the Gód of *my* sal-vá-tion.

48 'Even the Gód that séeth that I be a-*vén*-ged : and subdúeth the *péo*-ple ún-to^me.

49 It is hé that delívereth me from my crúel énemies ; and sétteth me úp abóve mine ádver-*sa*-ries : thóu shalt ríd me *fróm* the wíc-ked^mán.

50 For thís caúse will I give thánks unto thée, O Lórd, amóng the *Gén*-tiles : and sing praíses *ún*-to thy Náme.

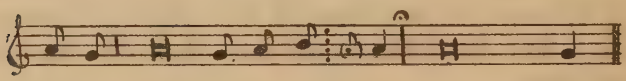
51 Gréat prospérity gíveth he únto his *King* : and shéweth lóving-kíndness unto Dávid his Anoínted ; and únto his *séed* for év-er^more.

Glóry be to the Fáther, and to the *Són* : and *to* the Hó-ly^Ghóst.

As it wás in the begínning, is nów, and éver *sháll* be : wórld with-*óut* énd. A-men.

THE 4th EVENING

PSALM 22 *Deus Deus meus* TONE IV



MY GÓD, my Gód, lóok upón me; why hast *thóu* for-sák-en^me : and árt so fár from my héalth, and from the wórds of mý com-*plaint*?

2 O my Gód, I crý in the dáy-time, but thou *héar*-est nót : and in the níght-séason álso I táke no *rést*.

3 And thóu contín-*u*-est hó-ly : O thou wórship of 'Isra-*el*.

4 Our fáthers hóp-*ed* in thée : they trústed in thée, and thou dídst delíver *them*.

5 They cálled upon thée, *and* were hól-pen : they pút their trúst in thée, and were nót con-fóund-*ed*.

6 But ás for mé, I am a wórm, *and* nó mán : a véry scórn of mén, and the óutcast of the péo-*ple*.

7 'All they that sée me láugh *me* to scórn : they shóot out their líps, and sháke their heáds, sáy-*ing*,

8 He trústed in Gód, that hé *would* de-lív--er^him : lét him delíver him, if hé will háve *him*.

9 But thóu art hé that tóok me óut of my

mó-ther's wómb : thóu wast my hópe, when I hánged yét upón my móther's *bréasts*.

10 I have been léft unto thée éver since *I* was bórn : thóu art my Gód éven from my móther's *wómb*.

11 O gó not fróm me, for tróuble is *hárd* at hánd : and thére is nóne to hélp *me*.

12 Mány óxen are *cóme* a-bóut me : fát búlls of Básan clóse me ín on évery *síde*.

13 They gápe upón me *with* their móuths : as it were a rámping and a róaring lí-*on*.

14 I am póured out like wáter, and áll my bónes are *óut* of joínt : my héart álso in the mídst of my bódy is éven like mélting *wáx*.

15 My stréngth is dríed úp like a pótsherd ; and my tóngue cléaveth *to* my gúms : and thóu shalt bríng me ínto the dúst of *déath*.

16 For mány dógs are *cóme* a-bóut me : and the cóuncil of the wícked láyeth síege agaínst *me*.

17 They píerced my hánds and my féet ; I may téll *all* my bónes : they stánd stáring and lóoking upón *me*.

18 They párt my gár-*ments* a-móng them : and cást lóts upon my vés-*ture*.

19 But bé not thou fár from *mé*, O Lórd : thóu art my súccour, háste thee to hélp *me*.

20 Delíver my sóul *from* the swórd : my dárling from the pówer of the *dóg*.

21 Sáve me from the *lí*-on's móuth : thou hast

héard me álso from amóng the hórns of the úni-*corns.*

22 I will decláre thy Náme ún-*to* my bré-thren : in the mídst of the cóngregátion will I praíse *thee.*

23 O praíse the Lórd, *ye* that féar him : mágnify him, áll yé of the séed of Jácob ; and féar him, áll ye séed of 'Isra-*el* ;

24 For he hath nót despísed, nor abhórred, the lów estáte *of* the póor : he hath nót híd his fáce from hím ; but whén he cálled unto hím he héard *him.*

25 My praíse is of thée in the gréat *con*-gre--gá-tion : my vóws will I perfórm in the síght of thém that féar *him.*

26 The póor shall éat, and be *sá*-tis-fi-ed : théy that séek áfter the Lórd shall práise him ; your héart shall líve for év-*er.*

27 'All the énds of the wórld shall remémber themselves ; and be túrned ún-*to* the Lórd : and áll the kíndreds of the nátions shall wórship befóre *him.*

28 For the kíngdom *is* the Lórd's : and hé is the Góvernour amóng the péo-*ple.*

29 All súch as be fát *up*-on éarth : have éaten, and wórship-*ped.*

30 All théy that go dówn into the dúst shall *knéel* be-fóre him : and nó mán hath quíckened his ówn *sóul.*

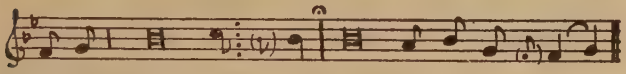
31 My *séed* shall sérve him : they shall be cóunted unto the Lórd for a génerá-*tion.*

32 Thèy shall cóme, and the héavens shall de-*cláre* his rígh-teous^ness : únto a péople that sháll be bórn, whóm the Lórd hath *máde*.

Glóry be to the Fáther, and *to* the Són : and to the Hóly *Ghóst*.

As it wás in the begínning, is nów, and *év*-er shall be : wórld withóut énd. A-*men*.

PSALM 23 *Dominus regit me* TONE VIII



THE LÓRD is my *shép*-herd : thérefore can *I* lack nó-thĭng.

2 Hé shall féed me in a gréen *pás*-ture : and léad me fórth besíde the wá-*ters* of cóm-fört.

3 Hé shall convért my *sóul* : and bríng me fórth in the páths of ríghteousness, *for* his Náme's säke.

4 Yéa, though I wálk through the válley of the shádow of déath, I will féar no *é*-vil : for thóu art wíth me ; thy ród and *thy* stáff cóm-fort^më.

5 Thóu shalt prepáre a táble befóre me against thém that *tróu*-ble^me : thóu hast anoínted my héad with oíl, and my *cúp* shall be füll.

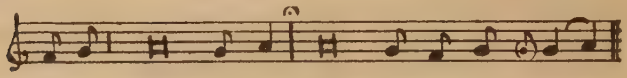
6 But thy lóving-kíndness and mércy shall fóllow me áll the dáys of my *life* : and I will dwéll in the hóuse of the *Lórd* for év-ër.

Glóry be to the Fáther, and to the *Són* : and *to* the Hó-ly^Ghöst.

As it wás in the begínning, is nów, and ever *sháll* be : wórld with-*óut* énd. A-mën.

THE 5th EVENING

PSALM 27 *Dominus illuminatio* TONE I



THE LÓRD is my líght, and my salvátion; whóm thén shall *I* féar : the Lórd is the stréngth of my lífe; of whóm then *sháll* I be^a-fraïd?

2 When the wícked, éven mine énemies, and my fóes, came upón me to éat up *my* flésh : they *stúm*-bled and fëll.

3 Thóugh an hóst of mén were laíd agaínst me, yét shall nót my héart be *a*-fraíd : and thóugh there róse up wár agaínst me, yét will I *pút* my trúst^in hïm.

4 'One thing have I desíred of the Lórd, which I wíll *re*-quíre : éven that I may dwéll in the hóuse of the Lórd áll the dáys of my lífe; to behóld the faír béauty of the Lórd, and to ví-*sit* his tém-plë.

5 For in the tíme of tróuble he shall híde me in his táber-*na*-cle : yéa, in the sécret pláce of his dwélling shall he híde me; and sét me úp up-*ón* a róck^of stöne.

6 And nów shall he líft up *mine* héad : abóve mine énemies *róund* a-bóut më.

7 Thérefore will I óffer in his dwélling an

oblátion with gréat *glád*-ness : I will síng, and spéak praíses *un*-to the Lörd.

8 Héarken unto my voíce, O Lórd, when I cry un-*to* thée : have mércy upón *me*, and héar më.

9 My héart hath tálked of thée ; Séek ye *my* fáce : Thy fáce, *Lórd*, will I sëek.

10 O híde not thóu thy fáce *from* mé : nor cást thy sérvant awáy *in* dis-pléa-süre.

11 Thóu hast béen my *súc*-cour : léave me nót, neíther forsáke me, O Gód of *my* sal-vá-tïon.

12 When my fáther and my móther for-*sáke* me : the Lórd *tá*-keth me üp.

13 Téach me thy wáy, *O* Lórd : and léad me in the ríght wáy, becáuse *of* mine én-e-mïes.

14 Delíver me not óver ínto the wíll of mine ádver-*sa*-ries : for thére are fálse wítnesses rísen up againſt me, and *súch* as spéak wröng.

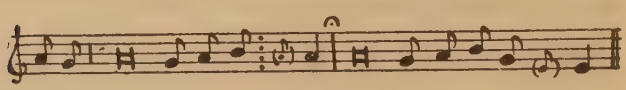
15 I should útterly have *faint*-ed : but that I belíeve vérily to sée the góodness of the Lórd in the lánd *of* the lív-ïng.

16 O tárry thóu the Lórd's *leí*-sure : be stróng, and hé shall cómfort thine héart ; and put thóu thy *trúst* in the Lörd.

Glóry be to the Fáther, and to *the* Són : and *to* the Hó-ly Ghöst.

As it wás in the begínning, is nów, and éver *sháll* be : wórld with-*óut* énd. A-mën.

PSALM 28 *Ad te Domine* TONE IV



UNTO thée will I crý, O *Lórd*, my stréngth : thínk no scórn of me ; lést, if thou máke as thóugh thou héarest nót, I becóme like thém that *go* dówn in-to the pít.

2 Héar the voíce of my húmble petítions, when I crý *un*-to thée : when I hóld up my hánds towárds the mércy-séat of *thy* hó-ly tém-ple.

3 O plúck me nót awáy, neíther destróy me with the ungódly and *wíck*-ed dó-ers : which spéak fríendly to their neíghbours ; but imágine *mís*-chief in their héarts.

4 Rewárd them accórding *to* their déeds : and accórding to the wíckedness of *their* ówn in--vén-tions.

5 Récompense them áfter the wórk *of* their hánds : páy them thát *they* háve de-sérv-ed.

6 For théy regárd nót in their mínd the wórks of the Lórd, nor the operátion *of* his hánds : thérefore sháll he bréak them *dówn*, and not buíld them úp.

7 Praísed *be* the Lórd : for hé hath héard the voíce of my *húm*-ble pe-tí-tions.

8 The Lórd is my stréngth, and my shíeld ; my héart hath trústed in hím, and *I* am hélp-ed : thérefore my héart dánceth for jóy ; and ín my *sóng* will I praíse him.

9 The Lórd *is* mý strength : and hé is the whólesome defénce *of* his An-oínt-ed.

10 O sáve thy péople, and gíve thy blessing unto *thine* in-hé-ri^tance : féed them, and sét *them* úp for év-er.

Glóry be to the Fáther, and *to* the Són : *and* to the Hó-ly^Ghóst.

As it wás in the begínning, is nów, and *év*-er shall be : wórld *with*-óut énd. A-men.

PSALM 29 *Afferte Domino* TONE VIII

BRING UN-to the Lórd, O ye míghty; bríng young ráms unto the *Lórd* : ascríbe unto the Lórd *wór*-ship and strength.

2 Gíve the Lórd the hónour dúe unto his *Náme* : wórship the Lórd with *hó*-ly wór-ship.

3 It is the Lórd, that commándeth the *wá*-ters : it is the glórious Gód, that mák-*eth* the thún-der.

4 It is the Lórd, that rúleth the séa ; the voíce of the Lórd is míghty in ope-*rá*-tion : the voíce of the Lórd is a *gló*-ri-ous voíce.

5 The voíce of the Lórd bréaketh the *cé*--dar^trées : yéa, the Lórd bréaketh the cé-*dars* of Lí-ba^nus.

6 He máketh them álso to skíp like a *cálf* : Líbanus álso, and Sírion, líke *a* young ú-ni^corn.

7 The voíce of the Lórd divídeth the flámes

of fíre; the voíce of the Lórd sháketh the *wíl*-der^ness : yéa, the Lórd sháketh the wílder-*ness* of Cá-des.

8 The voíce of the Lórd máketh the hínds to bríng forth yóung; and discóvereth the thíck *búsh*-es : in his témple doth évery man spéak *of* his hó-nour.

9 The Lórd sítteth abóve the *wá*-ter^flóod : and the Lórd remaíneth a *King* for év-er.

10 The Lórd shall give stréngth unto his *péo*-ple : the Lórd shall gíve his péople the *blés*-sing of péace.

Glóry be to the Fáther, and to the *Són* : and *to* the Hó-ly^Ghóst.

As it wás in the begínning, is nów, and éver *sháll* be : wórld with-*óut* énd. A-men.

THE 6th EVENING

PSALM 32 *Beati quorum* TONE V

BLÉSSED is hé whose unríghteousness is for-*gív*-en : and whose *sín* is có-ver^ed.

2 Bléssed is the mán unto whóm the Lórd impúteth nó *sin* : and in whóse spírit *there* is nó guíle.

3 For whíle I héld my *tóngue* : my bónes consúmed awáy through my *daí*-ly com-plaín-ing.

4 For thy hánd is heávy upón me dáy and *night* : and my moísture is líke the *dróught* in súm-mer.

5 I will acknówledge my sín únto *thée* : and míne unríghteousness *háve* I nót híd.

6 I saíd, I will conféss my síns únto the *Lórd* : and só thou forgávest the *wick*-ed-ness of my sín.

7 For thís shall évery óne that is gódly máke his práyer unto thée ; in a tíme when thou máyest be *fóund* : but in the gréat wáter-floods théy shall *nót* come nígh hím.

8 Thóu art a pláce to híde me in ; thóu shalt preserve me from *tróu*-ble : thou shalt cómpass me abóut with *sóngs* of de-lí-ver-ance.

9 I will infórm thee, and téach thee in the wáy whérein thóu shalt *gó* : and I will *guíde* thee with mine éye.

10 Bé ye nót like to hórse and múle, which háve no únder-*stánd*-ing : whose móuths must be héld with bít and brídle, lést they *fáll* up-ón thee.

11 Gréat plágues remaín for the un-*gód*-ly : but whóso pútteth his trúst in the Lórd ; mércy embráceth *him* on év-ery síde.

12 Be glád, O ye ríghteous, and rejoíce in the *Lórd* : and be jóyful, all *yé* that are trúe of héart.

Glóry be to the Fáther, and to the *Són* : and *to* the Hó-ly Ghóst.

As it wás in the begínning, is nów, and éver *sháll* be : wórld with-*óut* énd. A-men.

PSALM 33 *Exultate justi* TONE VII

REJÓICE in the Lórd, *O* ye rígh-teous : for it becómeth wéll the júst *to* be thánk-fül.

2 *Praise* the Lórd^with hárp : síng práises únto hím with the lúte, and ínstru-*ment* of tén strïngs.

3 Síng unto the *Lórd* a néw sóng : sing praíses lústily unto hím *with* a^góod cóur-äge.

4 For the *wórd* of^the Lórd^is trúe : and áll his *wórks* are faíth-fül.

5 He lóveth ríghteous-*ness* and júdge-ment : the éarth is fúll of the *góod*-ness of^the Lörd.

6 By the wórd of the *Lórd* were^the héa^vens máde : and áll the hósts of them by the *bréath* of his möuth.

7 He gáthereth the wáters of the séa togéther, as it *wére* up-ón^an héap : and láyeth up the déep, as *in* a tréa^sure-höuse.

8 Let áll the *éarth* féar the Lórd : stánd in áwe of him, all yé that *dwéll* in the wörld.

9 For he *spáke*, and it^was dóne : he commánded, *and* it stóod fäst.

10 The Lórd bríngeth the cóunsel of the *héa*-then to nóught : and máketh the devíces of the péople to be of nóne efféct ; and cásteth óut the *cóun*-sels^of prín-cës.

11 The cóunsel of the Lórd shall en-*dúre* for év-er : and the thóughts of his héart from génerátion to *gé*-ne-rá-tïon.

12 Bléssed are the péople, whose Gód is the *Lórd* Je-hó-vah : and bléssed are the fólk, that he hath chósen to hím to be *his* in-hé^ri-tänce.

13 The Lórd looked dówn from héaven, and behéld áll the *chíl*-dren of mén : from the habitátion of his dwélling he consídereth all thém that *dwéll* on the ëarth.

14 He fáshioneth *all* the héarts^of thém : and únder-*stánd*-eth áll^their wörks.

15 Thére is nó kíng that can be sáved by the *múl*-ti^tude of^an hóst : neíther is ány míghty mán delíver-*ed* by múch strëngth.

16 A hórse is cóunted but a vaín *thing* to sáve^a mán : neíther shall he delíver ány man *by* his gréat strëngth.

17 Behóld, the éye of the Lórd is upon *thém* that féar him : and upon thém that pút their trúst *in* his mér-cÿ ;

18 To de-*lí*-ver^their sóul^from déath : and to féed them *in* the tíme^of dëarth.

19 Our sóul hath pátiently *tár*-ried for^the Lórd : for hé is our *hélp*, and óur shïeld.

20 For our *héart* shall^re-joíce^in hím : becáuse we have hóped *in* his hó^ly Näme.

21 Lét thy mérciful kíndness, O Lórd, *be* up-ón us : líke as wé do *pút* our trúst^in thëe.

Glóry be to the *Fá*-ther,^and to^the Són : and *to* the Hó^ly Ghöst.

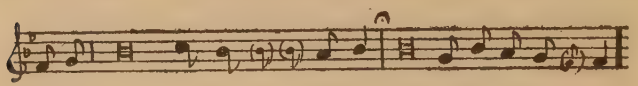
PSALM 34 *Benedicam Domino* TONE III



I WILL álway give *thánks* un^to the Lórd : his praíse shall év-*er* be in mý móuth.

2 My sóul shall máke her *bóast* in the Lórd : the húmble shall héar *there*-of, and be glád.

3 O *praíse* the^Lórd with mé : and let us mágnify *his* Náme to-géth-er.

4 I soúght the *Lórd*, and^he héard me : yéa, he delívered *me* óut of áll my^féar.

5 They hád an éye unto hím, *and* were^líght--en-ed : and their fáces *were* nót a-shám-ed.

6 Ló, the póor críeth, and the *Lórd* héar-eth hím : yéa, and sáveth him óut *of* áll his tróu-bles.

7 The ángel of the Lórd tárrieth round about *thém* that féar him : and *de*-lí-ver-eth thém.

8 O táste, and sée, how *grá*-cious^the Lórd is : bléssed is the mán *that* trúst-eth in hím.

9 O féar the Lórd, *yé* that^are his saínts : for thév that *féar* him lack nó-thing.

10 The líons do láck, and *súf*-fer hún-ger : but thév who séek the Lórd shall wánt no mánner *of* thíng that is góod.

11 Cóme, ye chíldren, and *héark*-en^ún-to mé : I will téach you *the* féar of the Lórd.

12 Whát mán is hé that *lúst*-eth to líve : and *would* faín see góod dáys ?

13 Kéep thy *tóngue* from é-vil : and thy *líps*, that they spéak no^guíle.

14 Eschéw *é*-vil,^and dó góod : séek *péace*, and en-súe it.

15 The éyes of the Lórd are *ó*-ver^the rígh-teous : and his éars are ó-*pen* ún-to theír práyers.

16 The cóuntenance of the Lórd is agaínst thém *that* do é-vil : to róot óut the remém-*brance* of them fróm the^eárth.

17 The ríghteous crý, and the *Lórd* héar-eth thém : and delívereth them óut *of* áll their tróu-bles.

18 The Lórd is nígh unto thém that are *of* a^cón-trite héart : and will sáve súch as be of *an* húm-ble spí-rit.

19 Gréat are the tróubles *of* the ríght-eous : but the Lórd delí-*ver*-eth him óut of^áll.

20 He *kéep*-eth^áll his bónes : so that not óne *of* thém is bró-ken.

21 But misfórtune shall *sláy* the^un-gód-ly : and théy that háte the rígh-*teous* shall be dé-so=late.

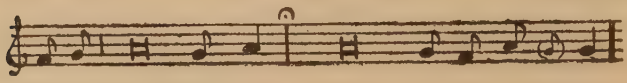
22 The Lórd delívereth the *sóuls* of^his sér-vants : and áll théy that pút their trúst in hím *shall* nót be dé-sti=tute.

Glóry be to the *Fá*-ther,^and^to the Són : *and* to the Hó-ly^Ghóst.

As it wás in the begínning, is nów, and *év*-er shall be : wórld *with*-óut énd. A-men.

THE 7th EVENING

PSALM 37 *Noli æmulari* TONE I



FRÉT NOT thysélf becáuse of the un-*gód*-ly : neíther be thou énvious agaínst the *é*-vil dó-ers.

2 For théy shall sóon be cút dówn like *the* gráss : and be wíthered éven *as* the gréen hérb.

3 Put thóu thy trúst in the Lórd, and be dó-*ing* góod : dwéll in the lánd, and vérily *thou* shalt be féd.

4 Delíght thou ín *the* Lórd : and hé shall gíve *thee* thy héart's de-síre.

5 Commít thy wáy unto the Lórd, and pút thy trúst *in* hím : and hé shall *bring* it to páss.

6 He shall máke thy ríghteousness as cléar as *the* líght : and thy júst déaling *as* the nóon-dáy.

7 Hóld thee stíll in the Lórd, and abíde pátiently up-*ón* hím : but gríeve not thysélf at hím whose wáy doth prósper ; agaínst the mán that dóeth after *é*-vil cóun-sels.

8 Léave óff from wráth, and lét gó dis-*pléa*-sure : frét not thysélf, élse shalt thóu be móved *to* dó é-vil.

9 Wícked dóers shall be róot-*ed* óut : and théy that pátiently abíde the Lórd, thóse shall in-*hé*-rit the lánd.

10 Yét a líttle whíle, and the ungódly shall be *cléan* góne : thóu shalt look áfter his pláce, and *hé* shall be a^wáy.

11 But the méek-spírited shall possés *the* eárth : and shall be refréshed in the *múl*-ti-tude of^peáce.

12 The ungódly séeketh cóunsel agaínst *the* júst : and gnásheth up-*ón* him wíth his^téeth.

13 The Lórd shall láugh him *to* scórn : for he hath séen that his *dáy* is cóm-ing.

14 The ungódly have dráwn out the swórd, and have bént *their* bów : to cást dówn the póor and néedy ; and to sláy súch as are of a rýght *con*-ver-sá-tion.

15 Their swórd shall gó thróugh their *ówn* héart : and their bów *shall* be bró-ken.

16 A smáll thíng that the rígh-*teous* hath : is bétter than gréat ríches of *the* un-gód-ly.

17 For the árms of the ungódly shall be *bró*-ken : and the Lórd uphóld-*eth* the rígh-teous.

18 The Lórd knóweth the dáys of the *gód*-ly : and their inhéritance shall en-*dúre* for év-er.

19 They shall nót be confóunded in the péri-*lous* tíme : and in the dáys of déarth *they* shall háve e^nóugh.

20 As for the ungódly, they shall pérish ; and the énemies of the Lórd shall consúme as the fát *of* lámbs : yéa, even as the smóke, shall *théy* con-súme a^wáy.

21 The ungódly bórroweth, and páyeth not

á-gaín : but the ríghteous is mérci-*ful*, and lí-be=ral.

22 Súch as are bléssed of Gód shall possés *the* lánd : and théy that are cúrsed of hím *shall* be róot-ed^óut.

23 The Lórd órdereth a góod man's *gó*-ing : and máketh his wáy accép-*ta*-ble to him=sélf.

24 Thóugh he fáll, he shall nót be cást *a*-wáy : for the Lórd uphóld-*eth* him with his^hánd.

25 I have been yóung, and nów *am* óld : and yét saw I néver the ríghteous forsáken ; nor his séed *bég*-ging their bréad.

26 The ríghteous is éver mérciful, and *lénd*-eth : and his *séed* is blés-sed.

27 Flée from évil, and dó the thíng that *is* góod : and *dwéll* for év-er=more.

28 For the Lórd lóveth the thíng that *is* ríght : he forsáketh not hís that be gódly ; but they are preserv-*ed* for év-er.

29 The unríghteous sháll be pún-*ish*-ed : ás for the séed of the ungódly, ít *shall* be róot-ed^oút.

30 The ríghteous shall inhérit *the* lánd : and dwéll there-*ín* for év-er.

31 The móuth of the ríghteous is éxercised in *wís*-dom : and his tóngue will be tálk-*ing* of júdge-ment.

32 The láw of his Gód is ín *his* héart : and his *gó*-ings sháll not^slíde.

33 The ungódly séeth the *rígh*-teous : and séeketh occá-*sion* to sláy hím.

34 The Lórd will not léave him in *his* hánd: nor condémn him whén *he* is júdg-ed.

35 Hópe thóu in the Lórd, and kéep his wáy; and hé shall promóte thee, that thóu shalt possés *the* lánd: whén the ungódly shall pérish, *thou* shalt sée it.

36 I mysélf have séen the ungódly in gréat *pów*-er: and flóurishing líke *a* gréen báy-tree.

37 I went bý, and ló, he *was* góne: I sóught him, but his pláce could *nó*-where be foúnd.

38 Kéep ínnocency, and take héed unto the thíng that *is* ríght: for thát shall bríng a mán *péace* at the lást.

39 'As for the transgréssors, théy shall pérish to-*gé*-ther: and the énd of the ungódly is, théy shall be róoted *óut* at the lást.

40 But the salvátion of the ríghteous cómeth of *the* Lórd: who is álso their stréngth in the *time* of tróu-ble.

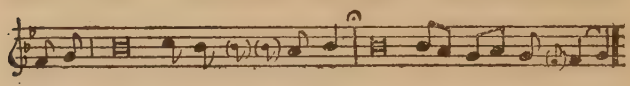
41 And the Lórd shall stánd bý them, and *sáve* them: he shall delíver them from the ungódly; and shall sáve them, becáuse they *pút* their trúst in^hím.

Glóry be to the Fáther, and to *the* Són: and *to* the Hó-ly^Ghóst.

As it wás in the begínning, is nów, and éver *sháll* be: wórld with-*óut* énd. A-men.

THE 8th EVENING

PSALM 41 *Beatus qui intelligit* TONE III



BLÉSSED is hé that consídereth the *póor* and néed-y : the Lórd shall delíver him in the *tïme* öf tróu-blë.

2 The Lórd presérve him, and kéep him alíve, that hé may be *bléss*-ed^up-on éarth : and delíver nót thou hím into the wíll *öf* hïs én-e^mïes.

5 Mine énemies spéak *é*-vil of me : Whén shall he díe, and *hïs* näme pé-rïsh ?

6 And íf he cóme to sée me, he *spéak*-eth^ vá-ni-ty : and his héart conceíveth fálsehood withín himsélf ; and whén he cómeth *förth* hë téll-eth^ït.

7 'All mine énemies whísper to-*gé*-ther^a-gaínst mé : éven agaínst mé do théy imá-*gïne* thïs é-vïl.

8 Lét the séntence of guíltiness pro-*céed* a-gaínst him : and nów that he líeth, lét *hïm* rïse úp no^möre.

9 Yéa, éven mine ówn famíliar fríend, *whom* I trúst-ed : who did álso éat of my bréad, hath *laïd* grëat wáit for^më.

10 But bé thou mérciful *un*-to^mé, O Lórd : raíse thou me úp agaín, and I *shäll* rë-wárd thëm.

11 By thís I knów thou *fá*-vour-est mé : that mine énemy doth not trí-*ümph* ä-gaínst më.

12 And whén I am ín my héalth, *thou* up-^-hóld-est me : and shalt sét me befóre thy *fäce* för év-ër.

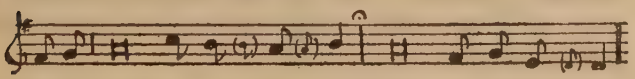
PSALM 42 *Quemadmodum* TONE VII



LÍKE AS the hárt de-*sír*-eth^the wá^ter-brooks : so lóngeth my sóul *af*-ter thée, O^Gód.

2 My sóul is athírst for Gód, yéa, éven *for* the lív^ing Gód : whén shall I cóme to appéar befóre the *pré*-sence of Gód ?

3 My téars have béen my *méat* dáy and níght :

whíle they daíly sáy unto me, *Whére* is nów thy^Gód ?

4 Now whén I thínk thereupon, I póur out my *héart* by my-sélf : for I wént with the múltitude ; and bróught them fórth ín-*to* the hóuse of^Gód ;

5 In the voíce of *praíse* and^thanks-gív-ing : amóng súch *as* keep hó-ly=dáy.

6 Why art thóu so fúll of *héa*-vi=ness, O^my sóul : and whý art thou só disquíet-*ed* with-ín me ?

7 *Pút* thy trúst^in Gód : for I will yét give him thánks for the hélp *of* his cóun-te=nance.

8 My Gód, my sóul is *véx*-ed^with-ín me : thérefore will I remémber thee concérning the lánd of Jórdan ; and the líttle *híll* of Hér-mon.

9 'One deep cálleth anóther, becáuse of the *noíse* of^the wá=ter-pípes : áll thy wáves and stórms *are* gone ó-ver^mé.

10 The Lórd hath gránted his lóving-kíndness *in* the dáy-time : and in the níght-séason did I síng of hím ; and máde my práyer unto the *Gód* of my lífe.

11 I will sáy unto the Gód of my stréngth ; Why hast *thóu* for-gót=ten mé : whý go I thús héavily ; whíle the éne-*my* op-prés-seth^me ?

PSALM 43 *Judica me Deus* TONE V

GIVE SÉN-tence with me, O Gód, and defénd my cáuse agáinst the ungódly *péo*-ple : O delíver me from the de-*ceit*-ful and wick=ed män.

2 For thóu art the Gód of my stréngth ; why hast thou pút me *fróm* thee : and why go I so héavily, while the éne-*my* op-préss=eth më?

GRÉAT IS the Lórd, and híghly *to* be praís-ed : in the cíty of our Gód, éven up-*ón* his hó^ly hïll.

2 The híll of Sýon is a faír pláce, and the *jóy* of^the whóle eárth : upón the nórth-síde líeth the cíty of the gréat Kíng ; Gód is well knówn in her pálaces *as* a^súre ré-füge.

3 For ló, the *kings* of the éarth : are gáthered, and góne *by* to-gé-thër.

4 They márvell-*ed* to sée^such thíngs : they were astónished, and *súd*-den^ly cást dówn.

5 Féar came thére upón *them*, and sór-row : ás upón a wóman *in* her trá-vaïl.

6 Thóu shalt bréak the *ships* of the séa : *thróugh* the eást-wïnd.

7 Líke as we have héard, só have we séen in the cíty of the Lórd of hósts ; in the *cí*-ty^of óur Gód : Gód uphóldeth the *sáme* for év-ër.

8 We waít for thy lóving-*kínd*-ness, O Gód : in the *mídst* of^thy tém-plë.

9 O Gód, accórding to thy Náme, só is thy praíse *ún*-to^the wórld's énd : thy ríght hánd is *fúll* of rígh^teous-nëss.

10 Lét the móunt Sýon rejoíce, and the dáughter of *Jú*-dah be glád : becáuse *of* thy júdge-mënts.

11 Wálk about Sýon, and go *róund* a-bóut her : and téll the *tów*-ers there-öf.

12 Márk well her búlwarks, sét *up* her hóus-es : that yé may téll them *that* come áf-tër.

3 My móuth shall *spéak* of wís-dom : and my héart shall múse *of* ún-der-ständ-ing.

4 I will inclíne mine éar *to* the pá-ra^ble : and shéw my *dárk* spéech up-ön the^hárp.

5 Whérefore should I féar in the *dáys* of wíck-ed^ness : and whén the wíckedness of my héels cóm-*pass*-eth me röund a^bóut ?

6 There be sóme that pút their trúst *in* their góods : and bóast themsélves in the múlti-*tude* of their rïch-es.

7 But nó mán may delí-*ver* his bró-ther : nor máke agrée-*ment* un-to Göd for^him ;

8 For it cóst móre to re-*déem* their sóuls : só that hé must lét that *a*-lóne for ëv-er ;

9 Yéa, though *he* líve lóng : — and sée nöt the^ gráve.

10 For he séeth that wíse men álso díe, and pé-*rish* to-gé-ther : as wéll as the ígnorant and fóolish, and léave their *rích*-es for öth-er.

11 And yét they thínk that their hóuses shall contín-*ue* for év-er : and that their dwélling-pláces shall endúre from óne generátion to anóther ; and cáll the lánds *áf*-ter their öwn námes.

12 Névertheless, mán will nót a-*bíde* in hó-nour : séeing he may be compáred unto the béasts that pérish ; *this* is the wäy of^thém.

13 Thís *is* their fóol-ish^ness : and their postéri-*ty* praíse their säy-ing.

14 They líe in the héll like shéep ; déath gnáweth upón them, and the ríghteous shall háve dominá-

tion óver them *in* the mórn-ing : their béauty shall consúme in the sépulchre *óut* of their dwëll-ing.

15 But Gód hath delívered my sóul from the *pláce* of héll : for *hé* shall re-ceïve me.

16 Bé not thóu afraíd, though óne *be* máde rích : or if the glóry of his *hóuse* be ín-crëas-ed ;

17 For hé shall cárry nóthing awáy with him *whén* he dí-eth : neíther *shall* his pómp föl-low^ him.

18 For whíle he líved, he cóunted himself an *háp*-py mán : and so lóng as thou dóest wéll unto thysélf, *mén* will spéak göod of^thee.

19 Hé shall fóllow the génerátion *of* his fá-thers : and *shall* né-ver sëe líght.

THE FÓOL-ish bódy hath saíd in *his* héart : *Thére* is nö Göd.

2 Corrúpt are théy, and becóme abóminable

in their wíck-*ed*-ness : there is *nóne* that dö-eth^ göod.

3 Gód looked dówn from héaven upon the chíldren *of* mén : to sée if there were ány that would understánd, *and* séek äf-ter^Göd.

4 But théy are áll gone óut of the wáy ; théy are altogéther becóme abómi-*na*-ble : there is álso nóne that dó-*eth* góod, nö not^öne.

5 Aré not théy withóut understánding that wórk wíck-*ed*-ness : éating up my péople as íf they would éat bréad ? they háve not cáll-*ed* up-ön Göd.

6 Théy were afraíd where nó *fear* wás : for Gód hath bróken the bónes of hím that besíeged thee ; thou hast pút them to confúsion, becáuse Gód *hath* des-pïs-ed^thëm.

7 'Oh, that the salvátion were gíven unto 'Israel out of *Sý*-on : 'Oh, that the Lórd would delíver his péople óut *of* cap-tï-vi^tÿ !

8 Thén should Jácob *re*-joíce : and 'Israel *should* be rïght gläd.

As it wás in the begínning, is nów, and éver *sháll* be : wórld with-*óut* énd. Ä-mën.

PSALM 54 *Deus in nomine*

1 Sáve me, O Gód, for thy *Náme's* sáke : and avénge *me* in thÿ strëngth.

2 Héar my práyer, *O* Gód : and héarken unto the *wórds* of mÿ möuth.

3 For strángers are rísen up a-*gaínst* me : and týrants, which háve not Gód befóre their éyes, seek *áf*-ter mÿ söul.

4 Behóld, Gód is my *hélp*-er : the Lórd is with thém *that* up-höld my^söul.

5 He shall rewárd évil unto mine én-*e*-mies : destróy thou *thém* in thÿ trüth.

6 An óffering of a frée héart will I gíve thee, and praíse thy Náme, *O* Lórd : becaúse it is so *cóm*-fort-ä-blë.

7 For hé hath delívered me óut of áll my *tróu*-ble : and mine éye hath séen his desíre up-*ón* mine ën-e=mïes.

HÉAR MY práyer, O *Gód* : and híde not thysélf from *mÿ* pë-ti-tion.

2 Take héed unto mé, and *héar* me : how I móurn in my práyer, *ánd* äm véx-ed.

3 The énemy críeth só, and the ungodly cometh

ón so *fást* : for théy are mínded to dó me some míschief ; so malíciously are they *sët* ä-gaínst me.

4 My héart is disquíeted with-*ín* me : and the féar of déath is fáll-*ën* üp-ón me.

5 Féarfulness and trémbling are cóme up-*ón* me : and an hórrible dréad hath *ö*-vër-whélm^ed me.

6 And I saíd ; 'O that I had wíngs like a *dóve* : for thén would I flée a-*wäy*, änd bé^at rést.

7 Ló, thén would I gét me awáy far *óff* : and remaín *ïn* thë wíl^der-ness.

8 I would máke háste to es-*cápe* : becáuse of the stórmy *wïnd* änd tém-pest.

9 Destróy their tóngues, O Lórd, and di-*víde* them : for I have spíed unríghteousness and strífe *ïn* thë cí-ty.

10 Dáy and níght they gó abóut withín the wálls there-*óf* : míschief álso and sórrow are *ïn* thë mídst^of it.

11 Wíckedness is there-*ín* : deceít and guíle go not *öut* öf their stréets.

12 For it is nót an ópen énemy that hath dóne me this dis-*hó*-nour : for thén I *cöuld* häve bórne it.

13 Neíther was it mine advérsary, that did mágnify himself a-*gaínst* me : for thén perad-vénture I wóuld have híd *mÿ*-sëlf from him.

14 But it was éven thóu, my com-*pán*-ion : my guíde, and mine *öwn* fä-mil^iar friend.

15 We tóok sweet cóunsel to-*gé*-ther : and wálked in the *höuse* öf Gód^as fríends.

16 Let déath come hástily upón them ; and lét them gó down quíck into *héll* : for wíckedness is in their dwéllings, *änd* ä-móng them.

17 'As for mé, I will cáll upon *Gód* : and the *Lörd* shäll sáve me.

18 In the évening, and mórning, and at nóon-day will I práy ; and that *ín*-stant=ly : and *hë* shäll héar^my voíce.

19 It is hé that hath delívered my sóul in péace from the báttle that was a-*gaínst* me : for thére were *mä*-nÿ wíth me.

20 Yéa, even Gód, that endúreth for éver, shall héar me, and bríng them *dówn* : for they wíll not *türn*, nör féar Gód.

21 He laíd his hánds upon súch as be at péace with *him* : and he *bräke* hïs có=ve-nant.

22 The wórds of his móuth were sófter than bútter, having wár in his *héart* : his wórds were smóother than oíl, and yét *hë* thëy vé=ry swórds.

23 O cást thy búrden upon the Lórd, and hé shall *nóu*-rish^thee : and sháll not súffer the ríghteous to *fäll* för év-er.

24 And ás for *thém* : thóu, O Gód, shalt bríng them into the pít *öf* dë-strúc-tion.

25 The blóod-thírsty and deceítful mén shall not líve out hálf their *dáys* : névertheless, my trúst shall *hë* ïn thée,^O Lórd.

2 O delíver me from the *wick*-ed dó-ers : and sáve me from the *blóod*-thírs-ty^mén.

3 For ló, they líe *wait*-ing^for my sóul : the míghty mén are gáthered againſt me; without any offénce or fáult *of* me, O^Lórd.

4 They rún and prepáre them-*selves* with=óut my fáult : aríse thou thérefore to hélp *me*, and be=hóld.

5 Stánd úp, O Lórd Gód of hósts, thou Gód of 'Israel; to vísit *all* the héa-then : and bé not mérciful unto thém that offénd of mali-*cious* wick-ed=ness.

6 They gó tó and *fró* in^the éve-ning : they grín like a dóg, and rún about thróugh *the* cí-ty.

7 Behóld, they spéak with their móuth, and *swórds* are^in their líps : *for* whó doth^héar ?

8 But thóu, O Lórd, shalt háve them *in* de-rí--sion : and thóu shalt láugh all the héa-*then* to scórn.

9 My stréngth will I as-*cribe* un-to thée : for thóu art the Gód of *my* ré-fuge.

10 Gód shéweth me his *góod*-ness^plén-teous-ly : and Gód shall lét me sée my desíre upon *mine* én-e=mies.

11 Sláy them nót, lest my *péo*-ple^for-gét it : but scátter them abróad amóng the peóple ; and pút them dówn, O Lórd, *our* de-fénce.

12 For the sín of their móuth, and for the wórds of their líps, they shall be *tá*-ken^in their príde : and whý ? their préaching is of cúrs-*ing* and líes.

13 Consúme them in thy wráth ; consúme them, that *théy* may pé-rish : and knów that it is Gód that rúleth in Jácob ; and únto the énds *of* the wórld.

14 And in the évening *théy* will re-túrn : grín like a dóg, and will gó abóut *the* cí-ty.

16 'As for mé, I will síng of thy pówer ; and will praíse thy mércy betímes *in* the mórn-ing : for thóu hast béen my defénce and réfuge in the dáy of *my* tróu-ble.

17 Unto thée, O my *stréngth*, will I síng : for thóu, O Gód, art my réfuge, and my mér-*ci*-ful Gód.

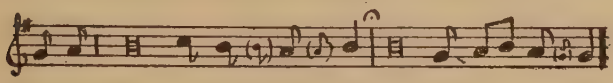
PSALM 67 *Deus misereatur* TONE VI



GÓD BE mérciful unto *ús*, and bléss us : and shéw us the líght of his cóuntenance, and be mér-*ci*-fül un-to ^us ;

2 That thy wáy may be *knówn* up-on eárth : thy sáving héalth a-*móng* äll ná-tions.

3 Lét the péople *praíse* thee, O Gód : yéa, let áll the *péo*-plë praíse thée.

4 O lét the nátions re-*jóice* and be glád : for thóu shalt júdge the fólk ríghteously ; and góvern the ná-*tions* üp-on éarth.

5 Lét the péople *praíse* thee, O Gód : let áll the *péo*-plë praíse thée.

6 Thén shall the eárth bring *fórth* her ín-crease : and Gód, éven our ówn Gód, shall gíve *us* hïs bléss-ing.

7 *Gód* shall bléss ús : and áll the énds of the *wórld* shäll féar hím.

Glóry be to the *Fá*-ther,^and to^the Són : and *to* thë Hó-ly^Ghóst.

As it wás in the begínning, is nów, and *év*-er sháll be : wórld with-*óut* ënd. A-men.

THE 13th EVENING

PSALM 69 *Salvum me fac* TONE I

SÁVE ME, O Gód : for the wáters are cóme ín, éven *ún*-to my söul.

2 I stíck fást in the déep míre, where no *gróund* is : I am cóme into déep wáters, so that the *flóods* run óver më.

3 I am wéary of crýing ; my thróat *is* drý : my síght faíleth me for waíting so *lóng* up-on my Göd.

4 Thév that háte me withóut a cáuse are móre than the haírs of *my* héad : thév that áre mine énemies, and would destróy me guílt-*less*, are mígh-tÿ.

5 I paíd them the thíngs that I né-*ver* tóok : Gód, thou knówest my símpleness, and my fáults *are* not híd from thëe.

6 Lét not thém that trúst in thée, O Lórd Gód of hósts, be ashámed for *my* cáuse : lét not thóse that séek thee be confóunded through mé ; O Lórd *Gód* of 'Isra-ël.

7 And whý ? for thy sáke have I súffered *re*-próof : sháme hath cóv-*er*-ed my fäce.

8 I am becóme a stránger unto my *bré*-thren : éven an álien unto my *mó*-ther's chíl-drën.

9 For the zéal of thine hóuse hath éven éat-*en*

me : and the rebúkes of thém that rebúked thee are fál-*len* up-ón më.

10 I wépt, and chástened mysélf with *fást*-ing : and thát was túrn-*ed* to mý^re-pröof.

11 I pút on sáckcloth *ál*-so : and they jést-*ed* up-ón më.

12 Théy that sít in the gáte spéak a-*gainst* me : and the drúnkards make *sóngs* up-ón më.

13 But, Lórd, I máke my práyer un-*to* thée : in an ac-*cép*-ta-ble tïme.

14 Héar me, O Gód, in the múltitude of thy *mér*-cy : éven in the trúth of *thý* sal-vá-tïon.

15 Táke me óut of the míre, that I *sínk* not : O lét me be delívered from thém that háte me ; and óut of *the* déep wá-tërs.

16 Lét not the wáter-flóod drówn me ; neíther let the déep swállow *me* úp : and lét not the pít shut her *móuth* up-ón më.

17 Héar me, O Lórd, for thy lóving-kíndness is cómfort-*a*-ble : túrn thee únto me accórding to the múltitude *of* thy mér-cïes.

18 And híde not thy fáce from thy sérvant, for 'I am in *tróu*-ble : O háste *thee*, and héar më.

19 Dráw nígh unto my sóul, and *sáve* it : O delíver me, becáuse *of* mine én^e-mïes.

20 Thóu hast knówn my repróof, my sháme, and my dis-*hón*-our : mine ádversaries are *áll* in thy sïght.

21 Thy rebúke hath bróken my héart ; I am fúll of héa-*vi*-ness : I lóoked for sóme to have

pity on me, but there was nó man; neither found I á-*ny* to cóm^fort më.

22 They gáve me gáll *to* eat: and when I was thirsty they gáve me *vi*-ne-gar^to drink.

23 Let their táble be máde a snáre to táke themselves *with*-ál: and let the things that should have béen for their wéalth be unto thém an occá-*sion* of fál-ling.

24 Let their éyes be blínded, that they *sée* not: and éver *bów* thou down^their bäcks.

25 Póur out thine indignátion up-*ón* them: and let thy wráthful displéa-*sure* take hóld^of thëm.

26 Let their hábitation *be* void: and nó man to *dwéll* in their tënts.

27 For they pérsecute hím whom thóu hast *smít*-ten: and they tálk hów they may véx thém whom *thóu* hast wóun-dëd.

28 Let them fáll from óne wickedness to an-*ó*--ther: and nót come ín-*to* thy right^eous-nëss.

29 Let them be wíped óut of the bóok of the *lív*-ing: and nót be wrítten a-*móng* the rígh-tëous.

30 'As for mé, when I am póor and in héa-*vi*-ness: thy hélp, O *Gód*, shall líft^me üp.

31 I will praíse the Náme of Gód with *a* sóng: and mágnify it *with* thánks-gív-ing.

32 This álso shall pléase *the* Lórd: bétter than a búllock *that* hath hórns^and höofs.

33 The húmble shall consíder thís, and *be* glád: séek ye áfter Gód, *and* your sóul^shall live.

34 For the Lórd héareth *the* póor : and despíseth *not* his pri^son-ërs.

35 Let héaven and eárth *praise* him : the séa, and áll that *móv*-eth there-ïn.

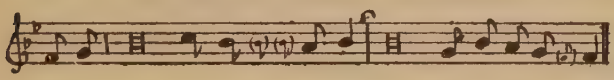
36 For Gód will sáve Sýon, and buíld the cíties of *Jú*-dah : that mén may dwéll thére, and háve it *in* pos-sés-sïon.

37 The pósterity álso of his sérvants shall inhé-*rit* it : and théy that lóve his *Náme* shall dwéll^ there-ïn.

Glóry be to the Fáther, and to *the* Són : and *to* the Hó^ly Ghöst.

As it wás in the begínning, is nów, and éver *sháll* be : wórld with-*óut* énd. A-mën.

PSALM 70 *Deus in adjutorium* TONE III



HÁSTE THEE, O Gód, *to* de^lív-er me : make háste *to* hélp me, O Lórd.

2 Lét them be asháined and confóunded that séek *áf*-ter my sóul : lét them be túrned báckward and pút to confúsion *that* wísh me é-vil.

3 Lét them for theír rewárd, be *soon* bróught to sháme : that crý *ó*-ver me, Thére, thére.

4 But lét all thóse that séek thee be *jóy*-ful^and^ glád in thée : and let áll súch as delíght in thý salvátion say álway, *The* Lórd be praís-ed.

5 'As for mé, I am póor *and* in^mí-se-ry : háste *thee* ún-to me, O^Gód.

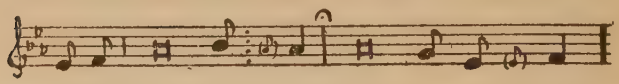
6 Thóu art my hélper, and *mý* re-déem-er : O Lórd, *make* nó long tár-ry-ing.

Glóry be to the *Fá*-ther,^and^to the Són : *and* to the Hó-ly^Ghóst.

As it wás in the begínning, is nów, and *év*-er sháll be : wórld *with*-óut énd. A-men.

THE 14th EVENING

PSALM 73 *Quam bonus Israel* TONE II



TRÚLY Gód is lóving unto *'Is*-ra-el : éven unto súch as áre of *a* cléan héart.

2 Névertheless, my féet were álmost *góne* : my tréadings *had* wéll-nigh slípt.

3 And whý? I was gríeved at the *wíc*-ked : I do álso sée the ungódly in súch *pros*-pé-ri-ty.

4 For théy are in nó péril of *déath* : but are lús-*ty* and stróng.

5 They cóme in nó misfórtune like óther *fólk* : neíther are they plágued *like* óth-er mén.

6 And thís is the cáuse that théy are so hólden with *pride* : and óverwhélmed *with* crú-el-ty.

7 Their éyes swéll with *fát*-ness : and they do é-*ven* whát^they lúst.

8 They corrúpt óther, and spéak of wícked *blás*-phe=my : their tálking is agaínst *the* móst Hígh.

9 For they strétch forth their móuth únto the *héa*-ven : and their tóngue gó-*eth* thróugh^the wórld.

10 Thérefore fáll the péople *ún*-to^them : and théreout súck they no smáll *ad*-ván-tage.

11 Túsh, say théy, hów should Gód per-*ceíve* it : is there knówledge in *the* móst Hígh ?

12 Ló, thése are the ungódly ; thése prósper in the wórld, and thése have ríches in pos-*sés*-sion : and I saíd ; Thén have I cléansed my héart in vaín, and wáshed mine hánds in ín-*no*-cen-cy.

13 'All the day lóng have I been *pún*-ish=ed : and chástened éver-*y* mórn-ing.

14 Yéa, and I had álmost saíd éven as *théy* : but ló, thén I should have condémned the generátion of *thy* chíl-dren.

15 Thén thought 'I to understánd *this* : but it wás *too* hárd^for mé,

16 Until I wént into the sánctuary of *Gód* : thén understóod I the énd *of* thése mén ;

17 Námely, hów thou dost sét them in slíppery *plá*-ces : and cástest them dówn, and *de*-stróy=est thém.

18 'Oh, how súddenly do théy con-*súme* : pérish, and cóme to *a* féar=ful énd !

19 Yéa, éven like as a dréam when one a-*wá*-keth :

só shalt thou máke their ímage to vánish óut of *the* cí-ty.

20 Thús my heárt was *gríev*-ed : and it went é-*ven* thróugh^my reíns.

21 So fóolish was I, and *íg*-no^rant : éven as it were a béast *be*-fóre thee.

22 Névertheless, I am álway *bý* thee : for thóu hast hólden me bý *my* ríght hánd.

23 Thóu shalt guíde me with thy *cóun*-sel : and after thát receíve me *with* gló-ry.

24 Whóm have I in héaven but *thée* : and there is nóne upon eárth that I desíre in compári-*son* of thée.

25 My flésh and my héart *faíl*-eth : but Gód is the stréngth of my héart ; and my pórtion *for* év-er.

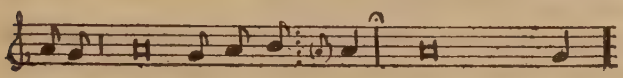
26 For ló, they that forsáke thee shall *pé*-rish : thou hast destróyed all thém that commít fornicátion *a*-gaínst thée.

27 But it is góod for me to hóld me fást by Gód ; to pút my trúst in the Lórd *Gód* : and to spéak of áll thy wórks in the gátes of the dáughter *of* Sý-on.

Glóry be to the Fáther, and to the *Són* : and to *the* Hó^ly Ghóst.

As it wás in the begínning, is nów, and éver *sháll* be : wórld withóut *énd*. A-men.

PSALM 74 *Ut quid Deus* TONE IV



O GOD, whérefore art thou ábsent from *us* só lóng : whý is thy wráth so hót against the shéep of thy pás-*ture*?

2 O thínk upón thy *cón*-gre-gá-tion : whom thóu hast púrchased, and redéemed of *óld*.

3 Thínk upon the tríbe of *thine* in-hé-ri-tance : and móunt Sýon, whereín thou hast *dwélt*.

4 Líft up thy féet, that thóu mayest útterly destróy *év*-ery én-e-my : which hath done évil in thy sánctua-*ry*.

5 Thine ádversaries róar in the mídst of thy *cón*-gre-gá-tions : and sét up their bánners for tó-*kens*.

6 Hé that héwed tímber aföre óut of *the* thíck trées : was knówn to bríng it to an éxcellent *wórk*.

7 But nów they bréak down áll the cárved *wórk* there-óf : with áxes and hám-*mers*.

8 They have sét fíre upon thy *hó*-ly plá-ces : and have defíled the dwélling-pláce of thy Náme, éven únto the *gróund*.

9 Yéa, they saíd in their héarts; Lét us make hávock of them *ál*-to-ge-ther : thús have they búrnt up áll the hóuses of Gód in the *lánd*.

10 We sée not our tókens; thére is nót óne

pró-phet móre : nó, not óne is there amóng us, that únderstándeth ány *móre*.

11 O Gód, how lóng shall the ádversary do *this* dis-hó-nour : how lóng shall the énemy blasphéme thy Náme, for év-*er*?

12 Why withdráwest *thóu* thy hánd : why plúckest thou nót thy ríght hánd óut of thy bósom to consúme the éne-*my*?

13 For Gód is my *King* of óld : the hélp that is dóne upon éarth he dóeth it him-*sélf*.

14 Thóu didst divíde the séa *through* thy pów-er : thou brákest the héads of the drágons in the wá-*ters*.

15 Thou smótest the héads of Levía-*than* in píe-ces : and gávest him to be méat for the péople in the wílder-*ness*.

16 Thou bróughtest out fóuntains and wáters óut of *the* hárd rócks : thou dríedst up míghty wá-*ters*.

17 The dáy is thíne, and the *night* is thíne : thóu hast prepáred the líght and the *sún*.

18 Thóu hast sét áll the bórders *of* the eárth : thóu hast máde súmmer and wín-*ter*.

19 Remémber thís, O Lórd, how the énemy *hath* re-bú-ked : and hów the fóolish péople hath blasphémed thy *Náme*.

20 O delíver nót the sóul of thy túrtle-dove únto the múltitude *of* the én-e=mies : and fórget nót the congregátion of the póor for év-*er*.

21 Lóok up-*ón* the có-ve=nant : for áll the éarth is fúll of dárkness, and crúel habitá-*tions*.

22 O lét not the símple gó a-*wáy* a-shám-ed : but lét the póor and néedy give praíse únto thy *Náme.*

23 Aríse, O Gód, maintaín *thine* ówn cáuse : remémber hów the fóolish mán blasphémeth thee dái-*ly.*

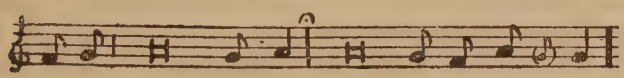
24 Forgét not the voíce *of* thine én-e^mies : the presúmption of thém that háte thee incréaseth ever móre and *móre.*

Glóry be to the Fáther, and *to* the Són : and to the Hóly *Ghóst.*

As it wás in the begínning, is nów, and *év*-er sháll be : wórld withóut énd. A-*men.*

THE 15th EVENING

PSALM 78 *Attendite popule* TONE I



HEAR MY láw, O my *péo*-ple : inclíne your éars unto the *wórds* of mý móuth.

2 I will ópen my móuth in a pá-*ra*-ble : I will decláre hard *sén*-ten-ces of^óld ;

3 Which wé have héard *and* knówn : and súch as our fá-*thers* have tóld us ;

4 That we shóuld not híde them from the chíldren of the génerátions *to* cóme : but to shéw the hónour of the Lórd ; his míghty and wónderful *wórks* that hé hath^dóne.

5 He máde a cóvenant with Jácob, and gave 'Israel *a* láw : which he commánded our forefáthers to *téach* their chíl-dren ;

6 That theír postérity might *knów* it : and the chíldren *which* were yét un^bórn ;

7 To the intént that when théy *came* úp : théy might shéw their *chíl*-dren the sáme ;

8 That théy might pút their trúst *in* Gód : and nót to forgét the wórks of Gód ; but to kéep *his* com-mánd-ments ;

9 And nót to bé as their forefáthers ; a faíthless and stúbborn géne-*rá*-tion : a génerátion that sét not their héart aríght ; and whose spírit cléaveth not stéd-*fast*-ly ún-to^Gód ;

10 Líke as the chíldren of É-*phra*-ym : who beíng hárnessed, and cárrying bóws ; túrned themselves báck in the *dáy* of bát-tle.

11 They képt not the cóvenant *of* Gód : and wóuld not *wálk* in his láw ;

12 But forgát what hé *had* dóne : and the wónderful wórks that he had *shéw*-ed for thém.

13 Márvellous thíngs did hé in the síght of our fórefáthers, in the lánd of *'E*-gypt : éven in the *fiéld* of Zó-an.

14 He divíded the séa, and lét them *go* thróugh : he máde the wáters to *stánd* on an héap.

15 In the dáy-time álso he léd them with *a* clóud : and áll the níght thróugh *with* a líght of^fíre.

16 He cláve the hárd rócks in the wíl-*der*-ness :

and gáve them drínk thereóf, as it had been óut *of* the gréat dépth.

17 He bróught wáters óut of the stó-*ny* róck : so that it gúshed out *like* the rí-vers.

18 Yét for áll thís they sínned móre a-*gaínst* hím : and provóked the most Híghest *in* the wíl-der=ness.

19 They témpted Gód in *their* héarts : and requíred *méat* for their lúst.

20 They spáke agaínst Gód also, *sáy*-ing : Shall Gód prepáre a táble *in* the wíl-der=ness ?

21 He smóte the stóny róck indéed; that the wáter gushed óut, and the stréams flówed *with*-ál : but cán he give bréad álso ; or províde flésh *for* his péo-ple ?

22 Whén the Lórd heard this, hé *was* wróth : so the fíre was kíndled in Jácob ; and there cáme up héavy displéasure *a*-gaínst 'Is-ra=el ;

23 Becáuse they belíeved not *in* Gód : and pút not their *trúst* in hís hélp.

24 Só he commánded the clóuds *a*-bóve : and ópened the *dóors* of héa-ven.

25 He raíned dówn mánna álso upón them fór *to* éat : and gáve them *fóod* from héa-ven.

26 So mán did eat án-*gels'* fóod : for he *sént* them méat e=noúgh.

27 He cáused the eást-wínd to blów under *héa*-ven : and thróugh his pówer he bróught in *the* sóuth-wést-wínd.

28 He raíned flésh upón them as thíck *as* dúst : and féathered fówls líke as the *sánd* of the séa.

29 He lét it fáll amóng *their* ténts : éven róund abóut their *ha*-bi-tá-tion.

30 Só they did éat, and were wéll fílled ; for he gáve them théir own *de*-síre : théy were nót disappoínt-*ed* of theír lúst.

31 But whíle the méat was yét in their móuths ; the héavy wráth of Gód came upón them, and sléw the wéalthiest *of* thém : yéa, and smóte dówn the chósen mén that *wére* in 'Is-ra^el.

32 But for áll thís they sínned *yet* móre : and belíeved *not* his wón-drous^wórks.

33 Thérefore their dáys did hé consúme in vá-*ni*-ty : and their *yéars* in tróu-ble.

34 Whén he sléw them, they *sóught* him : and túrned them éarly, and en-*quír*-ed af-ter^Gód.

35 And they remémbered that Gód was *their* stréngth : and that the hígh Gód was *their* re-déem-er.

36 Névertheless, they díd but flátter him with *their* móuth : and dissémbled *with* him ín their^ tóngue.

37 For their héart was not whóle *with* hím : neíther contínued they stédfast *in* his có-ve^nant.

38 But he was só mérciful, that he forgáve their *mís*-deeds : and de-*stróy*-ed them nót.

39 Yéa, mány a tíme túrned he his wráth *a*-wáy : and wóuld not súffer his whóle dis-*pléa*-sure to a^ríse.

40 For he consídered that they wére *but* flésh :

and that they were éven a wínd that pásseth awáy, and *cóm*-eth not a^gaín.

41 Mány a tíme did they provóke him in the wíl-*der*-ness : and gríeved him *in* the dé-sert.

42 They túrned báck, and témp-*ted* Gód : and móved the Hóly *One* in 'Is-ra^el.

43 They thoúght not of *his* hánd : and of the dáy when he delívered them from the hánd *of* the é-ne^my ;

44 Hów he had wróught his míracles in *'E*-gypt : and his wónders in the *field* of Zó-an.

45 He túrned their wáters in-*to* blóod : só that they míght not drínk *of* the rí-vers.

46 He sént líce amóng them, and devóured *them* úp : and frógs *to* de-stróy them.

47 He gáve their fruít unto the cáter-*pil*-lar : and their lábour un-*to* the gráss-hop^per.

48 He destróyed their vínes with *hail*-stones : and their múlberry-*trées* with the fróst.

49 He smóte their cáttle álso with *hail*-stones : and their flócks *with* hót thún-der^bólts.

50 He cást upón them the fúriousness of his wráth, ánger, displéasure, and *tróu*-ble : and sent évil an-*gels* a-móng them.

51 He máde a wáy to his indignátion ; and spáred not their sóul *from* déath : but gáve their lífe óver *to* the pés-ti^lence ;

52 And smóte all the fírst-born in *'E*-gypt : the most príncipal and míghtiest in the *dwél*-lings of Hám.

53 But ás for his ówn péople, he léd them fórth *like* shéep : and cárried them in the wíl-*der*-ness like a^flóck.

54 He bróught them óut sáfely, that they shóuld *not* féar : and óverwhélmed their é-*ne*-mies with the^séa.

55 And bróught them within the bórders of his sánctu-*a*-ry : éven to his móuntain which he púrchased *with* his ríght hánd.

56 He cást out the héathen álso be-*fóre* them : cáused their lánd to be divíded amóng them for an héritage ; and máde the tríbes of 'Israel to *dwéll* in their ténts.

57 Só they témpted, and displéased the móst *high* Gód : and képt not his *tés*-ti-mo-nies ;

58 But túrned their bácks, and féll awáy like their fóre-*fá*-thers : stárting aside *like* a bró-ken^bów.

59 For they gríeved him with their híll-*ál*-tars : and provóked him to displéasure *with* their í-ma^ges.

60 When Gód héard this, hé *was* wróth : and took sóre displéa-*sure* at 'Is-ra^el.

61 Só that he forsóok the tábernacle in *Sý*-lo : éven the tént that he had pítch-*ed* a-móng mén.

62 He delívered their pówer into captí-*vi*-ty : and their béauty into the *én*-e-my's hánd.

63 He gáve his péople óver álso únto *the* swórd : and was wróth with *his* in-hé-ri^tance.

64 The fíre consúmed their *yóung* mén : and their maídens were not gív-*en* to már-riage.

65 Their príests were slaín with *the* swórd : and there were nó wídows to make *lá*-men-tá-tion.

66 Só the Lórd awáked as óne out *of* sléep : and líke a gíant re-*frésh*-ed with wíne.

67 He smóte his énemies ín the hínd-*er* párts : and pút them to a per-*pé*-tu-al sháme.

68 He refúsed the tábernacle of *Jó*-seph : and chóse not the *tríbe* of 'E-phra^ym ;

69 But chóse the tríbe of *Jú*-dah : éven the híll of Sýon *which* he lóv-ed.

70 And thére he búilt his témple *on* hígh : and laíd the foundátion of it líke the gróund which he hath *máde* con-tín-ual^ly.

71 He chóse Dávid álso his *sér*-vant : and tóok him awáy *from* the shéep-folds.

72 As he was fóllowing the éwes gréat with yóung ones he *tóok* him : that he might féed Jácob his péople, and 'Israel *his* in-hé-ri^tance.

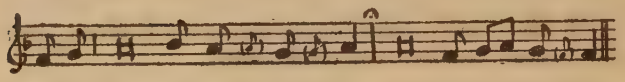
73 Só he féd them with a faíthful and *trúe* heart : and rûled them prúdently with *áll* his pów-er.

Glóry be to the Fáther, and to *the* Són : and *to* the Hó-ly^Ghóst.

As it wás in the begínning, is nów, and éver *sháll* be : wórld with-*óut* énd. A-men.

THE 16th EVENING

PSALM 82 *Deus stetit* TONE VI



GOD STÁND-eth in the cóngre-*gá*-tion^of prin-ces : he is a *Judge* ä-mong gods.

2 How lóng will ye *give* wrong júdge-ment : and accépt the pérsons of *the* ün-gód-ly ?

3 Defénd the *póor* and fá^ther-less : see that súch as are in néed and necés-*si*-tў have ríght.

4 Delíver the *out*-cast and póor : sáve them from the hánd of *the* ün-god-ly.

11 Make thém and their prínces like 'O-*reb* and

7 Théy will *gó* from^stréngth to stréngth : and únto the Gód of góds appeareth évery one of thém *in* Sý-ön.

8 O Lórd Gód of *hósts*, héar my práyer : héarken, O Gód *of* Já-cöb.

9 Behóld, O *Gód* our^de-fénd-er : and lóok upon the fáce of thíne *An*-oínt-ëd.

10 For one *dáy* in thy cóurts : is bétter than *a* thóu-sänd.

11 I had ráther be a dóor-keeper in the *hóuse* of my Gód : than to dwéll in the ténts of *un*-gód^li-nëss.

12 For the Lórd Gód is a *light* and de-fénce : the Lórd will give gráce and wórship ; and nó good thíng shall he withhóld from thém that líve *a* gód^ly lífe.

13 O *Lórd* Gód of hósts : bléssed is the mán that pútteth *his* trúst^in theë.

PSALM 85 *Benedixisti Domine* TONE VIII

LÓRD, THOU art becóme grácious únto thy *lánd* : thóu hast túrned away the captívi-*ty* of Já^cob.

2 Thóu hast forgíven the offénce of thy *péo*-ple : and có-*ver*-ed áll^their^síns.

3 Thóu hast táken áway áll thy dis-*pléa*-sure : and túrned thysélf from thy wráthful *in*-dignā^tion.

4 Túrn us thén, O Gód our *Sá*-viour : and lét thine *án*-ger céase^from^us.

5 Wílt thou be displéased at ús for *év*-er : and wílt thou strétch out thy wráth from óne generátion *to* a-nó^ther ?

6 Wílt thou not túrn agaín, and *quick*-en^us : that thy péople *may* re-joíce^in^thée ?

7 Shéw us thy mércy, O *Lórd* : and gránt us *thy* sal-vā^tion.

8 I will héarken what the Lórd Gód will sáy concérning *mé* : for hé shall speak péace unto his péople ; and to his saínts, that they túrn *nót* a-gaín.

9 For his salvátion is nígh thém that *féar* him : that glóry may *dwéll* in óur^lánd.

10 Mércy and trúth are mét to-*gé*-ther : rígh-teousness and péace have kís-*sed* each óth^er.

11 Trúth shall flóurish óut of the *éarth* : and ríghteousness hath lóoked *dówn* from héa^ven.

12 Yéa, the Lórd shall shéw lóving-*kínd*-ness : and our lánd shall *give* her ín^crease.

13 Ríghteousness shall gó be-*fóre* him : and hé shall diréct his *gó*-ing ín^the^wáy.

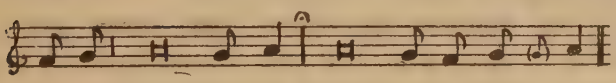
THE 17th EVENING

PSALM 89 *Misericordias Domini* TONE I



MY SÓNG shall be álway of the lóving-kíndness of *the* Lórd : with my móuth will I éver be shéwing thy trúth from óne genérátion *to* a-nó-ther.

2 For I have saíd ; Mércy shall be set úp for *év*-er : thy trúth shalt thou stáblish *in* the héa-vens.

3 I have máde a cóvenant with my *chó*-sen : I have swórn unto Dá-*vid* my sér-vant ;

4 Thy séed will I stáblish for *év*-er : and sét up thy throne from óne generátion *to* a-nó-ther.

5 O Lórd, the véry héavens shall praíse thy wón-*drous* wórks : and thy trúth in the cón-gre-*gá*-tion of the saínts.

6 For whó is hé amóng *the* clóuds : that shall be compáred *un*-to the Lórd ?

7 And whát is hé amóng *the* góds : that shall be líke *un*-to the Lórd ?

8 Gód is véry gréatly to be féared in the cóuncil of *the* saínts : and to be hád in réverence of áll thém that are *róund* a-bóut him.

9 O Lórd Gód of hósts, whó is líke un-*to* thée : thy trúth, most míghty Lórd, *is* on év-ery síde.

10 Thou rúlest the ráging of *the* séa : thou stíllest the wáves there-*óf* when théy a-ríse.

11 Thou hast súbdued 'Egypt, and destróy-*ed* it : thou hast scáttered thine énemies abróad *with* thy míght-ty árm.

12 The héavens are thíne; the éarth álso *is* thíne : thou hast laíd the foundátion of the róund wórld, and *áll* that théreín is.

13 Thou hast máde the nórth and *the* sóuth : Tábor and Hérmon shall re-*joice* in thý Náme.

14 Thou hást a mígh-*ty* árm : stróng is thy hánd, and hígh *is* thy ríght hánd.

15 Ríghteousness and équity are the habitátion of *thý* séat : mércy and trúth shall *gó* be-fóre thy fáce.

16 Bléssed is the péople, O Lórd, that can

rejoíce *in* thée : they shall wálk in the líght *of* thy cóun^te-nance.

17 Their delíght shall be daíly in *thy* Náme : and in thy ríghteousness *shall* they máke^their bóast.

18 For thóu art the glóry of *their* stréngth : and in thy lóving-kíndness thou shalt *líft* up our hórns.

19 For the Lórd is óur *de*-fénce : the Hóly One of 'Isra-*el* is óur Kíng.

20 Thou spákest sómetime in vísions unto thy saínts, *and* saídst : I have laíd hélp upon óne that is míghty ; I have exálted one chósen óut *of* the péo-ple.

21 I have fóund Dávid my *sér*-vant : with my hóly oíl have *I* an-oínt^ed him.

22 My hánd shall hóld *him* fást : and my *árm* shall stréngth^en him.

23 The énemy shall nót be áble to dó him ví-*o*-lence : the són of wíckedness *shall* not húrt him.

24 I will smíte dówn his fóes befóre *his* fáce : and plágue *them* that háte him.

25 My trúth álso and my mércy shall be *with* him : and in my Náme shall his hórn *be* ex-ált-ed.

26 I will sét his domínion álso in *the* séa : and his *right* hánd in^the flóods.

27 He shall cáll me ; Thóu art my *Fá*-ther : my Gód, and my *stróng* sal-vá-tion.

28 And I will máke him my *fírst*-born : hígher than the *kings* of the éarth.

29 My mércy will I kéep for hím for év-*er*-móre : and my cóvenant shall *stánd* fást with him.

30 His séed also will I máke to endure for *év*-er : and his thróne as the *dáys* of héa-ven.

31 But if his chíldren forsáke *my* láw : and wálk not *in* my júdge-ments ;

32 If they bréak my státutes, and kéep not mý com-*mánd*-ments : I will vísit their offénces with the ród ; and their *sín* with scóur-ges.

33 Névertheless, my lóving-kíndness will I not útterly táke *from* hím : nor súf-*fer* my trúth to faíl.

34 My cóvenant will I not bréak ; nor álter the thíng that is gone óut of *my* líps : I have swórn ónce by my hóliness, that I will *nót* fail Dá-vid.

35 His séed shall endúre for *év*-er : and his séat is líke as the *sún* be-fóre me.

36 He shall stánd fást for évermore as *the* móon : and as the faíthful wít-*ness* in héa-ven.

37 But thóu hast abhórred and forsáken thine An-*oint*-ed : and art dis-*pléas*-ed at him.

38 Thóu hast bróken the cóvenant of thy *sér*-vant : and cást his *crówn* to the gróund.

39 Thóu hast óverthrown áll his *hédg*-es : and bróken *dówn* his stróng hólds.

40 All théy that go bý *spoíl* him : and he is becóme a repróach *to* his neígh-bours.

41 Thóu hast sét up the ríght hánd of his é-*ne*-mies : and made áll his ádver-*sa*-ries to^ re-joíce.

42 Thóu hast táken awáy the édge of *his* swórd : and gívest him not víctory *in* the bát-tle.

43 Thóu hast put óut his *gló*-ry : and cást his thróne *dówn* to the gróund.

44 The dáys of his yóuth hast thou shórt-*en*-ed : and cóvered him *with* dis-hó-nour.

45 Lórd, how lóng wilt thou híde thysélf, for *év*-er : and sháll *thy* wráth búrn^like fíre ?

46 O remémber how shórt my *time* is : whérefore hast thou *máde* all mén^for nóught ?

47 What mán is he that líveth, and shall nót *see* déath : and sháll he delíver his sóul *from* the hánd^of héll ?

48 Lórd, whére are thy óld lóving-kínd-*ness*-es : which thou swárest unto Dá-*vid* in thý trúth ?

49 Remémber, Lórd, the rebúke that thy sér-*vants* have : and hów I do béar in my bósom the rebúkes of *má*-ny péo-ple ;

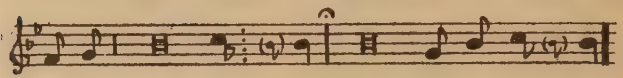
50 Whérewith thine énemies have blasphémed thee ; and slándered the fóotsteps of thíne An-*oint*-ed : Praísed be the Lórd for évermore. A-*men*, and A-men.

Glóry be to the Fáther, and to *the* Són : and *to* the Hó^ly Ghóst.

As it wás in the begínning, is nów, and éver *sháll* be : wórld with-*óut* énd. A-men.

THE 18th EVENING

PSALM 93 *Dominus regnavit* TONE VIII



THE LÓRD is Kíng, and hath pút on glórious ap-*pá*-rel : the Lórd hath pút on his appárel, and gírd-*ed* him-sélf with stréngth.

2 He hath máde the róund wórld so *súre* : that it cán-*not* be móv-ed.

3 'Ever since the wórld begán hath thy séat been pre-*pár*-ed : thóu art from *év*-er-last-ing.

4 The flóods are rísen, O Lórd ; the flóods have lift úp their *voice* : the *flóods* lift úp their wáves.

5 The wáves of the séa are míghty, and ráge *hór*-ribly : but yét the Lórd, who dwélleth on *high*, is mígh-tier.

6 Thy téstimonies, O Lórd, are véry *súre* : hóliness becómeth thine *hóuse* for év-er.

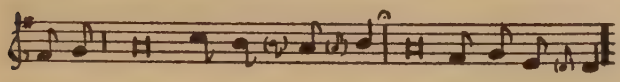
PSALM 94 *Deus ultionum* TONE VII



O LÓRD Gód, to whom *vén*-geance belóng-eth : thou Gód, to whom véngeance be-*lóng*-eth, shéw thy sélf.

2 Aríse, thou *Júdge* of the wórld : and reward the próud after *their* de-sérv-ing.

3 Lórd, how lóng *shall* the un-gód-ly : how lóng shall the un-*gód*-ly trí-umph ?

4 How lóng shall áll wícked dóers spéak *so* dis-daín-ful-ly : and máke *such* próud bóast-ing ?

5 They smíte down thy *péo*-ple, O Lórd : and tróu-*ble* thine hé-ri-tage.

6 They múrder the wídow, *and* the strán-ger : and put the *fá*-ther-less to déath.

7 And yét they sáy, Túsh, the *Lórd* shall nót see : neíther shall the Gód of Já-*cob* re-gárd it.

8 Take héed, ye unwíse a-*móng* the péople : O ye fóols, whén *will* ye ún-der-stand ?

9 He that plánted the éar, *shall* he nót héar : or hé that máde the éye, *shall* he nót see ?

10 Or hé that núrtur-*eth* the héa-then : it is hé that téacheth man knówledge, sháll *not* he pún-ish ?

11 The Lórd *knów*-eth the thóughts of mán : *that* they áre but vaín.

12 Bléssed is the mán whom thou *chá*-sten^est, O Lórd : and téachest *him* in thý láw ;

13 That thou mayest gíve him pátience in *time* of^ad-vér^si-ty : until the pít be dígged up for *the* un-gód-ly.

14 For the Lórd will not *fail* his péo-ple : neíther will he forsáke *his* in-hé-ri^tance ;

16 Whó will ríse up with mé a-*gainst* the wíck-ed : or whó will táke my párt agaínst the *é*-vil-dó-ers ?

17 If the Lórd *had* not hélp^ed me : it hád not faíled but my sóul had been *put* to sí-lence.

18 But whén I saíd, My *fóot* hath slíp-ped : thy mércy, *O* Lórd, héld me^úp.

19 In the múltitude of the sórrows that I *had* in my héart : thy cómforts have re-*frésh*-ed my sóul.

20 Wílt thou have ány thing to dó with the *stóol* of wíck^ed-ness : which imágineth *mís*-chief as a^láw ?

21 They gáther them togéther agaínst the *sóul* of^the rígh-teous : and cóndemn the *ín*-no-cent blóod.

22 But the Lórd *is* my ré-fuge : and my Gód is the stréngth *of* my cón-fi^dence.

23 He shall récompense them their wíckedness ; and destróy them in *their* own má-lice : yéa, the Lórd our Gód *shall* de-stróy thém.

4 He máketh his ángels *spí*-rits : and his mínis-*ters* a flá-ming fíre.

5 He laíd the foundátions of the *éarth* : that it néver should *móve* at á-ny tíme.

6 Thou cóveredst it with the déep líke as with a *gár*-ment : the wáters *stánd* in the hílls.

7 At thý rebúke they *flée* : at the voíce of thy thún-*der* they áre a^fraíd.

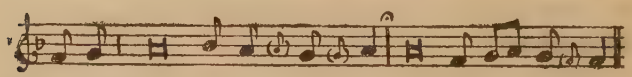
THE 21st EVENING

PSALM 106 *Confitemini Domino* TONE VI



O GIVE thánks unto the Lórd, for *he* is grá-cious : and his mércy endúr-*eth* för év-er.

2 Whó can expréss the nóble *ácts* of the Lórd : or *shéw* förth áll his^práise ?

3 Bléssed are théy that *ál*-way^keep júdge-ment : *and* dö rígh-teous^ness.

4 Remémber me, O Lórd, accórding to the fávour that thou béarest ún-*to* thy péople : O vísit me with *thý* säl-vá-tion ;

5 That I may sée the felícity *of* thy chó-sen : and rejoíce in the gládness of thy péople ; and give thánks with *thine* ïn-hé-ri^tance.

6 We have sínned *with* our fá-thers : we have dóne amíss, *and* dëalt wíck-ed^ly.

7 Our fáthers regárded nót thy wónders in 'Égypt ; neíther képt they thy great góodness *in* re-mém-brance : but were disobédient at the séa ; éven *at* thë Réd séa.

8 Névertheless, he hélped them *for* his Náme's sáke : that hé might máke his *pów*-ër to be^ knówn.

9 He rebúked the Réd séa álso, and *it* was drí^ed up : so he léd them thróugh the déep, as *thróugh* ä wíl-der^ness.

10 And he sáved them fróm the *ád*-ver-sá^ry's hánd : and delívered them from the hánd *of* thë é-ne^my.

11 As for thóse that tróubled them, the wáters *ó*-ver-whélm^ed them : there was not *óne* öf thém léft.

12 Thén be-*liev*-ed théy^his wórds : and sáng *praise* ün-to him.

13 But withín a whíle *they* for-gát^his wórks : and would nót a-*bide* hïs cóun-sel.

14 But lúst came upón them *in* the wíl^der-ness : and they témpted Gód *in* thë dé-sert.

15 And he *gáve* them theír^de-síre : and sent léanness withál *in*-tö theír sóul.

16 They ángered Móses *al*-so in^the ténts : and Aáron *the* saïnt of the^Lórd.

17 So the eárth opéned, and *swál*-lowed^up Dá-than : and cóvered the congregátion *of* Ä-bí-ram.

18 And the fíre was kíndled *in* their cóm^pa-ny : the fláme burnt úp *the* ün-gód-ly.

19 They máde a *cálf* in Hó-reb : and wórshipped the *mól*-tën í-mage.

20 Thús they *túrn*-ed^their gló-ry : into the simílitude of a *cálf* thät éat-eth^háy.

21 And they forgát *Gód* their Sá-viour : who had dóne so gréat *things* ïn 'E-gypt ;

22 Wóndrous wórks *in* the lánd^of Hám : and féarful thíngs *by* thë Réd séa.

23 So he saíd, he wóuld have destróyed them ; had not Móses his chósen stóod be-*fóre* him in^the gáp : to túrn awáy his wráthful indignátion ; lést he *shóuld* dë-stróy them.

24 Yéa, they thóught *scórn* of^that pléa^sant lánd : and gáve no crédence *ún*-tö his wórd ;

25 But *múr*-mur^ed in^theír ténts : and héarkened nót unto *the* voïce of the^Lórd.

26 Then líft he up his *hánd* a-gaínst them : to overthrów them *in* thë wíl-der^ness ;

27 To cást out their séed a-*móng* the nátions : and to scát-*ter* thëm in the^lánds.

28 They joíned themsélves unto *Bá*-al-pe-or : and áte the óf-*fer*-ïngs of the^déad.

29 Thús they provóked him to ánger with their *ówn* in-vén-tions : and the plágue was *gréat* ä-mong them.

30 Thén stood up Phí-ne-*es* and práy-ed : and so *the* plägue céas-ed.

31 And that was cóunted unto *him* for rígh^teous-ness : among áll postéri-*ties* för év-er^more.

32 They ángered him álso at the *wá*-ters of strífe : so that he púnished Mó-*ses* för theír sakes ;

33 Becáuse they pro-*vó*-ked^his spí-rit : so that he spáke unadví-*sed*-lÿ with his^líps.

34 Neíther destróyed *they* the héa-then : as the *Lórd* cöm-mánd-ed^them ;

35 But were míngled a-*móng* the héa-then : and *léarn*-ëd theír wórks.

36 Ińsomuch that they wórshipped their ídols ; which túrned *to* their ówn^de-cáy : yéa, they óffered their sóns and their dáughters *un*-tö dé-vils ;

37 And shéd ínnocent blóod ; éven the blóod of their sóns and *of* their daúgh-ters : whom they óffered unto the ídols of Cánaan ; and the lánd was de-*fíl*-ëd with blóod.

38 Thús were they staíned *with* their ówn wórks : and went a whóring with their *ówn* ïn-vén-tions.

39 Thérefore was the wráth of the Lórd kíndled a-*gaínst* his péo-ple : ínsomuch that he abhórred his *ówn* ïn-he-rí^tance.

40 And he gáve them óver into the *hánd* of^the héa-then : and they that háted them *were* lörds ó-ver^them.

41 Their éne-*mies* op-préss^ed them : and hád them *ín* süb-jéc-tion.

42 Mány a tíme did *he* de-lí^ver them : but they rebélled agaínst him with their ówn invéntions ; and were bróught dówn *in* theïr wíck-ed^ness.

43 Névertheless, whén he sáw *their* ad-vér^si-ty : *he* hëard theír com^plaínt.

44 He thóught upon his cóvenant ; and pítied them, accórding unto the múltitude *of* his mér-cies : yéa, he máde all thóse that léd them away cáp-*tive* tö pí-ty^them.

45 Delíver us, O Lórd our Gód ; and gáther us from a-*móng* the héa-then : that we may gíve thánks unto thy hóly Náme ; and máke our *bóast* öf thý praíse.

46 Bléssed be the Lórd Gód of 'Israel from everlásting, and *wórld* with-óut énd : and let áll the péo-*ple* säy, A-men.

Glóry be to the *Fá*-ther,^and to^the Són : and *to* thë Hó-ly^Ghóst.

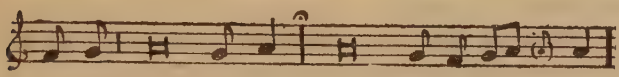
PSALM 108 *Paratum cor meum* TONE I



O GÓD, my héart is réady, my héart is *réa*-dy : I will síng and give praíse with the best mém-*ber* that Ï have.

2 Awáke, thou lúte, *and* hárp : I mysélf will a-*wáke* right eär-ly.

3 I will give thánks unto thée, O Lórd, amóng the *péo*-ple : I will sing praíses unto thée a-*móng* the nä-tions.

4 For thy mércy is gréater than the *héa*-vens : and thy trúth réacheth *un*-to thë clóuds.

5 Sét up thysélf, O Gód, abóve the *héa*-vens : and thy glóry *a*-bóve äll the earth.

6 That thy belóved may be de-lí-*ver*-ed : let thy ríght hand sáve *them*, and hëar thou me.

7 Gód hath spóken in his hó-*li*-ness : I will rejoíce therefore, and divíde Sýchem ; and mete óut the vál-*ley* of Süc-coth.

8 Gílead is mine, and Manásses *is* míne : 'Ephraim álso is the *stréngth* of mÿ héad.

9 Júdah is my láw-giver ; Móab is my *wásh*-pot : over 'Edom will I cást out my shóe ; upon Philýstia *will* I trï-umph.

10 Whó will léad me ínto the stróng *cí*-ty : and whó will bríng me *ín*-to Ë-dom ?

11 Hást not thóu forsáken us, *O* Gód : and wílt not thóu, O Gód, go *fórth* with öur hósts ?

12 O hélp us agáinst the é-*ne*-my : for vaín *is* the hëlp of^mán.

13 Through Gód we shall dó *great* ácts : and it is hé that shall tréad *dówn* our ë-ne^mies.

Glóry be to the Fáther, and to *the* Són : and *to* the Hö-ly^Ghóst.

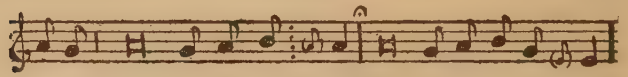
PSALM 109 *Deus laudum* TONE IV



HÓLD NOT thy tóngue, O Gód *of* my práise : for the móuth of the ungódly ; yéa, the móuth of the deceítful is ó-*pen*-ed up-ón me.

2 And they have spóken agáinst me *with* fálse tóngues : they cómpassed me abóut álso with wórds of hátred ; and fóught a-*gáinst* me with-óut a^cáuse.

3 For the lóve that I hád unto thém ; ló, they take nów my cón-*tra*-ry párt : but I *give* my-self ún-to^práyer.

4 Thús have they rewárded me é-*vil* for góod : and há-*tred* for my góod wíll.

5 Sét thou an ungódly mán to be *rú*-ler ó-ver^ him : and let Sátan *stánd* at his ríght hánd.

6 When séntence is given upón him, lét him *be* con-dém-ned : and lét his práyer *be* túrn-ed ín-to^sín.

7 Lét his *dáys* be féw : and lét anó-*ther* táke his óf-fice.

8 Lét his chíl-*dren* be fá-ther^less : and *his* wífe a wí-dow.

9 Lét his chíldren be vágabonds, and *bég* their bréad : lét them séek it álso out of *dé*-so-late plá-ces.

10 Lét the extórtioner consúme áll *that* he háth : and lét the strán-*ger* spoíl his lá-bour.

11 Lét there be nó *mán* to pí-ty^hím : nor to have compássion upon his *fá*-ther-less chíl-dren.

12 Lét his postérity *be* de-stróy-ed : and in the néxt generátion lét *his* náme be cléan put^óut.

15 And thát, becaúse his mínd was nót *to* dó góod : but pérsecuted the póor hélpless mán ; that he might sláy him that *was* véx-ed at the^ héart.

16 His delíght was in cúrsing ; and it shall *háp*-pen ún-to^him : he lóved not bléssing ; thérefore *shall* it be fár from^him.

17 He clóthed himsélf with cúrsing, like as *with*

a raí-ment : and it shall cóme into his bówels like wáter, and *like* oíl in-to his^bónes.

18 Lét it be unto hím as the clóke that he *háth* up-ón him : and as the gírdle that he is ál-*way* gírd-ed with-al.

19 Lét it thus háppen from the Lórd ún-*to* mine é-ne^mies : and to thóse that spéak *é*-vil a-gaínst my^sóul.

22 I go hénce like the shádow *that* de-párt-eth : and am dríven a-*wáy* as the gráss-hop^per.

23 My knées are *wéak* through fást-ing : my flésh is dríed up *for* wánt of fát-ness.

24 I becáme álso a repróach *un*-to thém : théy that lóoked upon *me* shá-ked their héads.

25 Hélp me, O *Lórd* my Gód : O sáve me accórd-*ing* to thy mér-cy ;

26 And théy shall knów, how that thís *is* thý hánd : and that *thóu*, Lórd, hast dóne it.

27 Thóugh they cúrse, *yet* bléss thóu : and lét them be confóunded that ríse up agaínst me ; but *lét* thy sér-vant re^joíce.

28 Let mine ádversaries be clóth-*ed* with sháme : and lét them cóver themsélves with their ówn con-*fú*-sion, as with a^clóke.

29 'As for me, I will gíve great thánks unto the

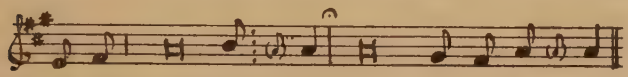
CHRISTMAS EVENING

PSALM 89 *Misericordias Domini* TONE VIII



MY SÓNG shall be álway of the lóving-kíndness of the *Lórd* : with my móuth will I éver be shéwing thy trúth from óne generátion *to* a-nó^ther.

2 For I have saíd ; Mércy shall be set úp for *év*-er : thy trúth shalt thou stáblish *in* the héa^vens.

3 I have máde a cóvenant with my *chó*-sen : I have swórn unto Dá-*vid* my sér^vant ;

4 Thy séed will I stáblish for *év*-er : and sét up thy thróne from óne generátion *to* a-nó^ther.

5 O Lórd, the véry héavens shall praíse thy wóndrous *wórks* : and thy trúth in the cóngre-*gá*-tion of^the^saínts.

6 For whó is hé amóng the *clóuds* : that shall be compár-*ed* un-to^the^Lórd ?

7 And whát is hé amóng the *góds* : that shall be *líke* un-to^the^Lórd ?

8 Gód is véry gréatly to be féared in the cóuncil of the *saínts* : and to be hád in réverence of áll thém that are *róund* a-bóut^him.

9 O Lórd Gód of hósts, whó is líke unto *thée* : thy trúth, most míghty Lórd, *is* on év^ery^síde.

10 Thou rúlest the ráging of the *séa* : thou stíllest the wáves there-*óf* when théy^a^ríse.

11 Thou hast subdúed 'Egypt, and de-*stróy*-ed^it : thou hast scáttered thine énemies abróad *with* thy míghty^árm.

12 The héavens are thíne ; the éarth álso is *thine* : thou hast laíd the foundátion of the róund wórld, and *áll* that théreinis.

13 Thou hast máde the nórth and the *sóuth* : Tábor and Hérmon shall re-*jóice* in thý^Náme.

14 Thou hást a míghty *árm* : stróng is thy hánd, and hígh *is* thy ríght^hánd.

15 Ríghteousness and équity are the habitátion of thy *séat* : mércy and trúth shall *gó* be-fóre^thy^ fáce.

16 Bléssed is the péople, O Lórd, that can rejoíce in *thée* : they shall wálk in the líght *of* thy cóuntenance.

17 Their delíght shall be daíly in thy *Náme* : and in thy ríghteousness *shall* they máke^their^ bóast.

18 For thóu art the glóry of their *stréngth* : and in thy lóving-kíndness thou *shalt* líft up^our^ hórns.

19 For the Lórd is óur de-*fénce* : the Hóly One of 'Isra-*el* is óur^Kíng.

20 Thou spákest sómetime in vísions unto thy saínts, and *saídst* : I have laíd hélp upon óne that is míghty ; I have exálted one chósen óut *of* the péople.

21 I have fóund Dávid my *sér*-vant : with my hóly oíl have *I* a-noín^ted^him.

22 My hánd shall hóld him *fást* : and my *árm* shall stréng^then^him.

23 The énemy shall nót be áble to dó him *ví*-o^lence : the són of wíckedness *sháll* not húrt^him.

24 I will smíte dówn his fóes befóre his *fáce* : and plágue *thém* that háte^him.

25 My trúth álso and my mércy shall be *with* him : and in my Náme shall his hórn *bé* ex-ált^ed.

26 I will sét his domínion álso in the *séa* : and his *right* hánd in^the^flóods.

27 He shall cáll me ; Thóu art my *Fá*-ther : my Gód, and my *stróng* sal-vá^tion.

28 And I will máke him my *fírst*-born : hígher than the kíngs *of* the eárth.

29 My mércy will I kéep for hím for éver-*móre* : and my cóvenant shall stánd *fást* with him.

30 His séed also will I máke to endúre for *év*-er : and his thróne as the *dáys* of héa^ven.

31 But if his chíldren forsáke my *láw* : and wálk not *in* my júdge^ments ;

32 If they bréak my státutes, and kéep not mý com-*mánd*-ments : I will vísit their offénces with the ród ; and their *sín* with scóurg^es.

33 Névertheless, my lóving-kíndness will I not útterly táke from *him* : nor súf-*fer* my trúth^to^faíl.

34 My cóvenant will I not bréak; nor álter the thíng that is gone óut of my *lips* : I have swórn ónce by my hóliness, that I will *nót* fail Dá^vid.

35 His séed shall endúre for *év*-er : and his séat is líke as the *sún* be-fóre^me.

36 He shall stánd fást for évermore as the *móon* : and as the faíthful wít-*ness* in héa^ven.

37 But thóu hast abhórred and fórsaken thine A-*noin*-ted : and art dis-*pléas*-ed at^him.

38 Thóu hast bróken the cóvenant of thy *sér*-vant : and cást his crówn *to* the gróund.

39 Thóu hast óverthrown áll his *hédg*-es : and bróken *dówn* his stróng^holds.

40 All thév that go bý *spoil* him : and he is becóme a repróach *tó* his neígh^bours.

41 Thóu hast sét up the ríght hánd of his *én*-e^mies : and made áll his ádver-*sa*-ries to^ re^joíce.

42 Thou hast táken awáy the édge of his *sword* : and gívest him not víctory *in* the bát^tle.

43 Thóu hast put óut his *gló*-ry : and cást his thróne dówn *to* the gróund.

44 The dáys of his yóuth hast thou *shórt*-en^ed : and covered him *with* dis-hó^nour.

45 Lórd, how lóng wilt thou híde thysélf, for *év*-er : and sháll *thy* wráth búrn^like^fíre ?

46 O remémber how shórt my *time* is : whére-fore hast thou *máde* áll mén^for^nóught ?

47 What mán is hé that líveth, and shall nót see

déath : and sháll he delíver his sóul *fróm* the hánd^of^héll ?

48 Lórd, whére are thy óld lóving-*kínd*-ness^es : which thou swárest unto Dá-*vid* in thý^trúth ?

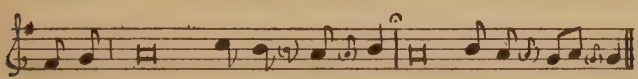
49 Remémber, Lórd, the rebúke that thy sérvants *háve* : and hów I do béar in my bósom the rebúkes of *má*-ny péo^ple ;

50 Whérewith thine énemies have blasphémed thee ; and slándered the fóotsteps of thíne A-*nóin*-ted : Praísed be the Lórd for évermore. A-*mén*, and A^men.

Glóry be to the Fáther, and to the *Són* : and *to* the Hó^ly^Ghóst.

As it wás in the begínning, is nów, and éver *sháll* be : wórld with-*óut* énd. A^men.

PSALM 110 *Dixit Dominus* TONE VII



THE LÓRD said *ún*-to my Lórd : Sít thou on my ríght hánd ; untíl I máke thine éne-*mies* thy föot-stool.

2 The Lórd shall sénd the ród of thy pówer *out* of Sý-on : bé thou rúler ; éven in the mídst a-*móng* thine ën-e^mies.

3 In the dáy of thy pówer shall the péople óffer thee frée-will ófferings with an *hó*-ly wór-ship : the déw of thy bírth is of the *wómb* of^the mörn-ing.

4 The Lórd swáre, and *will* nót re-pént : Thóu art a Príest for éver after the órder *of* Melchï-se^dech.

5 The Lórd up-*ón* thy ríght hánd : shall wóund even kíngs in the *dáy* of hïs wráth.

6 He shall júdge among the héathen ; he shall fíll the pláces *with* the^déad bód-ies : and smíte in sunder the héads over *dí*-vers coün-tries.

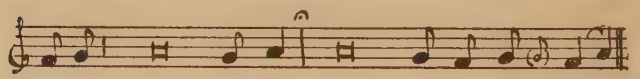
PSALM 132 *Memento Domine* TONE I



LÓRD, RE-mémber *Dá*-vid : and *áll* his tróu-blë ;

2 Hów he swáre únto *the* Lórd : and vówed a vów unto the Almíghty *Gód* of Já-cöb ;

3 I will nót cóme within the tábernacle of *mine* hóuse : nor clímb up *ín*-to my bëd ;

4 I will nót súffer mine éyes to sléep ; nor mine éye-lids to *slúm*-ber : neíther the témples of my héad *to* take á^ny rëst ;

5 Until I find out a place for the temple of *the* Lord : an habitation for the mighty *God* of Ja-cob.

6 Lo, we heard of the same at *E-phra*-ta : and *found* it in^the wood.

7 We will go into his tab*er-na*-cle : and fall low on our knees be-*fore* his foot-stool.

8 Arise, O Lord, into thy rest-*ing*-place : thou, and the *ark* of thy strength.

9 Let thy priests be clothed with righ-*teous*-ness : and let thy saints *sing* with joy^ful-ness.

10 For thy servant Da-*vid's* sake : turn not away the presence of *thine* A-noin-ted.

11 The Lord hath made a faithful oath unto *Da*-vid : and he *shall* not shrink^from it ;

12 Of the fruit of thy *bo*-dy : shall I *set* up-on^ thy seat.

13 If thy children will keep my covenant ; and my testimonies that I shall *learn* them : their children also shall sit upon thy *seat* for ev^er-more.

14 For the Lord hath chosen Syon to be an habitation for *him*-self : he hath *long*-ed for her.

15 This shall be my rest for *ev*-er : here will I dwell, for I have *a* de-light^there-in.

16 I will bless her victuals with *in*-crease : and will satis-*fy* her poor^with bread.

17 I will deck her priests *with* health : and her saints *shall* re-joice^and sing.

18 There shall I make the horn of David to

19 'As for his énemies, I shall clóthe them *with* sháme : but upon himsélf shall *his* crówn flóu-rïsh.

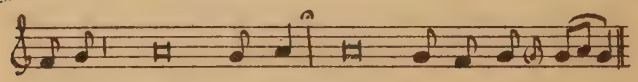
ASH-WEDNESDAY EVENING

PSALM 102 *Domine exaudi* TONE I



HÉAR MY práyer, *O* Lórd : and let my crýing *come* un-to thëe.

2 Híde not thy fáce from mé in the tíme of my *tróu*-ble : inclíne thine éar unto mé when I cáll ; O héar me, *and* that ríght söon.

3 For my dáys are consúmed awáy *like* smóke : and my bónes are búrnt úp as it *wére* a fíre-brënd.

4 My héart is smítten dówn, and wíthered *like* gráss : so that I for-*gét* to éat^my brëad.

5 For the voíce of my *gróan*-ing : my bónes will scárce *cléave* to my flësh.

6 I am becóme like a pélican in the wíl-*der*-ness : and like an ówl that is *in* the dé-sërt.

7 I have wátched, and am éven as it wére a *spár*-row : that sítteth alóne up-*ón* the hóuse-töp.

8 Mine énemies revíle me áll the *dáy* lóng : and théy that are mád upon me are swórn togé-*ther* a-gaínst më.

9 For I have éaten áshes as it *were* bréad : and míngled my *drínk* with wéep-ïng ;

10 And thát becáuse of thine indignátion *and* wráth : for thou hast táken me *úp*, and cást^me döwn.

11 My dáys are góne like a *shá*-dow : and I am wí-*ther*-ed líke gräss.

12 But, thóu, O Lórd, shalt endúre for *év*-er : and thy remémbrance throughóut all *ge*-ne-rá-tïons.

13 Thóu shalt aríse, and have mércy upon *Sý*-on : for it is tíme that thóu have mércy upon her ; *yéa*, the tíme^is cöme.

14 And whý ? thy sérvants thínk upon *her* stónes : and it pítieth them to *sée* her in^the düst.

15 The héathen shall féar thy Náme, *O* Lórd : and áll the kíngs of the *eárth* thy Má^jes-tÿ ;

17 When he túrneth him unto the práyer of the póor dé-*sti*-tute : and despí-*seth* not theír^ de-sïre.

18 Thís shall be wrítten for thóse that come *áf*-ter : and the péople which shall be *bórn* shall praíse^the Lörd.

19 For he hath lóoked dówn from his sánctu-*a*-ry : out of the héaven did the *Lórd* be-hóld^the ëarth ;

20 That he might héar the móurnings of súch as are ín captí-*vi*-ty : and delíver the chíldren ap-*póint*-ed un^to dëath ;

21 That théy may decláre the Náme of the Lórd in *Sý*-on : and his wórship *at* Je-rú^sa-lëm ;

22 When the péople are gáthered to-*gé*-ther : and the kíngdoms ál-*so*, to sérve^the Lörd.

23 He bróught dówn my stréngth in my *jóur*-ney : and shórt-*en*-ed my däys.

24 But I saíd ; 'O my Gód, táke me not awáy in the mídst of *mine* áge : as for thý yeárs, they endúre throughóut all *gé*-ne-rá-tïons.

25 Thóu, Lórd, in the begínning hast laíd the foundátion of *the* eárth : and the héavens are the *wórk* of thy händs.

26 Théy shall pérish, but thóu shalt *en*-dúre : they áll shall wáx óld as *dóth* a gár-mënt ;

27 And as a vésture shalt thou chánge them, and théy shall be *chán*-ged : but thóu art the sáme, and thy *yéars* shall nót faïl.

28 The chíldren of thy sérvants shall con-*tín*-ue : and their séed shall stánd *fást* in thy sïght.

Glóry be to the Fáther, and to *the* Són : and *to* the Hó^ly Ghöst.

3 If thóu, Lórd, wilt be extréme to márk what is dóne a-*miśs* : O Lórd, whó may a-*bíde* it ?

4 For there is mércy with *thée* : thérefore shalt thóu be *féar*-ed.

5 I lóok for the Lórd ; my sóul doth wáit for *hím* : in his wórd is *my* trúst.

6 My sóul fléeth únto the *Lórd* : befóre the mórning wátch, I sáy, befóre the *mórn*-ing^ wátch.

7 O 'Israel, trúst in the Lórd ; for with the Lórd there is *mér*-cy : and with hím is plénteous re-*démp*-tion.

8 And hé shall redéem *'Is*-ra^el : from *áll* his^síns.

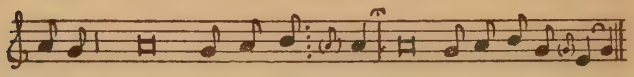
PSALM 143 *Domine exaudi* TONE IV



HÉAR MY práyer, O Lórd, and consíder *my* de-síre : héarken unto mé for thy trúth *and* rígh-teous-ness säke.

2 And énter not into júdgement *with* thy sér-vant : for in thy síght shall nó man líving *be* jús-ti-fi-ëd.

3 For the énemy hath pérsecuted my sóul ; he hath smítten my lífe dówn *to* the gróund : he hath laíd me in the dárkness ; as the mén *that* have been lóng dëad.

4 Thérefore is my spírit véx-*ed* with-ín me : and my héart with-*ín* me is dé^so-läte.

5 Yét do I remémber the tíme pást ; I múse upon *áll* thy wórks : yéa, I éxercise mysélf in *the* wórks of thy händs.

6 I strétch fórth my hánds *un*-to thée : my sóul gáspeth unto *thée* as a thír^sty länd.

7 Héar me, O Lórd, and thát sóon ; for my spírit *wáx*-eth faínt : híde not thy fáce from mé ; lést I be líke unto thém that *go* dówn in-to^the pït.

8 O lét me héar thy lóving-kíndness betímes in the mórning ; for in thée *is* my trúst : shéw thou mé the wáy that 'I should wálk in ; for I líft up *my* sóul un-to thëe.

9 Delíver me, O Lórd, *from* mine én-e^mies : for I flée un-*to* thée to híde më.

10 Téach me to dó the thíng that pléaseth thee, for thóu *art* my Gód : let thy lóving Spírit léad me fórth into *the* lańd of rígh^teous-nëss.

GOOD FRIDAY EVENING

PSALM 69 *Salvum me fac* TONUS IN DIRECTUM

SÁVE *ME*, O Gód : for the wáters are cóme ín, éven únto *my* sóul.

2 I stíck fást in the déep míre, *where* no gróund^ is : I am cóme into déep wáters, so that the flóods run ó-*ver* me.

3 I am wéary of crýing ; my *thróat* is dry : my síght faíleth me for waíting so lóng upon *my* Gód.

4 Thév that háte me withóut a caúse are móre than the haírs *of* my héad : thév that áre mine énemies, and would destróy me guíltless, are mígh-*ty*.

5 I paíd them the thíngs that I *né*-ver tóok : Gód, thou knówest my símpleness, and my fáults are not híd *from* thee.

6 Lét not thém that trúst in thée, O Lórd Gód of hósts, be ashámed *for* my caúse : lét not thóse that séek thee be confóunded through mé ; O Lórd Gód of 'Is-*ra*-el.

7 And whý ? for thy sáke have I súffer-*ed* re-próof : sháme hath cóvered *my* fáce.

8 I am becóme a stránger un-*to* my bré-thren : éven an álien unto my móther's chíl-*dren*.

9 For the zéal of thine hóuse hath éven *éat*-en me : and the rebúkes of thém that rebúked thee are fállen up-*ón* me.

10 I wépt, and chástened my-*sélf* with fást-ing : and thát was túrned to mý *re*-próof.

11 I pút on *sáck*-cloth ál-so : and they jésted up-*ón* me.

12 Thév that sít in the gáte *spéak* a-gaínst me : and the drúnkards make sóngs up-*ón* me.

13 But, Lórd, I máke my práyer *un*-to thée : in an accépta-*ble* tíme.

14 Héar me, O Gód, in the múltitude *of* thy mér-cy : éven in the trúth of thý salvá-*tion*.

15 Táke me óut of the míre, *that* I sínk not :

O lét me be delívered from thém that háte me; and óut of the déep wá-*ters*.

16 Lét not the wáter-flóod drówn me; neíther let the déep swál-*low* me úp: and lét not the pít shut her móuth up-*ón* me.

17 Héar me, O Lórd, for thy lóving-kíndness is *cóm*-fort-a^ble: túrn thee únto me accórding to the múltitude of thy mér-*cies*.

18 And híde not thy fáce from thy sérvant, for *I am* in tróu^ble: O háste thee, and *héar* me.

19 Dráw nígh unto my *sóul*, and sáve^it: O delíver me, becaúse of mine én-*e*^mies.

20 Thóu hast knówn my repróof, my sháme, and *my* dis-hón^our: mine ádversaries are áll in *thy* síght.

21 Thy rebúke hath bróken my héart; I am *fúll* of héa^vi^ness: I lóoked for sóme to have píty on me, but thére was nó man; neíther fóund I ány to cóm-*fort* me.

22 They gáve me *gáll* to éat: and whén I was thírsty they gáve me vinegar *to* drínk.

23 Lét their táble be máde a snáre to táke them-*selves* with-ál: and lét the thíngs that shóuld have béen for their wéalth be unto thém an occásion of fáll-*ing*.

24 Let their éyes be blínded, *that* they sée^ not: and éver bów thou dówn *their* bácks.

25 Póur out thine indigná-*tion* up-ón^them: and lét thy wráthful displéasure take hóld *of* them.

26 Lét their hábitá-*tion* be vóid : and nó man to dwéll in *their* ténts.

27 For they pérsecute hím whom *thóu* hast smít^ten : and they tálk hów they may véx thém whom thóu hast wóund-*ed.*

28 Lét them fáll from óne wíckedness *to* an-ó^ther : and nót come ínto thy rígh-*teous*^ness.

29 Lét them be wíped óut of the bóok *of* the lív-ing : and nót be wrítten amóng the rígh-*teous.*

30 'As for mé, when I am póor *and* in héa^vi^ness : thy hélp, O Gód, shall líft *me* úp.

31 I will práise the Náme of Gód *with* a sóng : and mágnify it with thanksgív-*ing.*

32 This álso shall *pléase* the Lórd : bétter than a búllock that hath hórns *and* hóofs.

33 The húmble shall consíder this, *and* be glád : séek ye áfter Gód, and your sóul *shall* líve.

34 For the Lórd héar-*eth* the póor : and despíseth not his prí-*son*^ers.

35 Let héaven *and* éarth práise^him : the séa, and áll that móveth *there*-ín.

36 For Gód will sáve Sýon, and buíld the cí-*ties* of Jú^dah : that mén may dwéll thére, and háve it in possés-*sion.*

37 The postérity álso of his servánts shall in-*hé*-rit it : and théy that lóve his Náme shall dwéll *there*-ín.

Glóry be to the Fáther, and *to* the Són : and to the Hó-*ly* Ghóst.

2 For my sóul is fúll *of*^tróu-ble : and my lífe draweth *nígh* un-to héll.

3 I am cóunted as óne of thém that go dówn *in*^to the^gráve : and I have been éven as a mán *that* hath nó strength.

4 Frée among the déad ; líke unto thém that are wóunded, and *lie*^in the^gráve : who are óut of remémbrance ; and are cút a-*way* from thy hánd.

5 Thou hast láid me in *the*^lów-est^pít : in a pláce of dárk-*ness*, and in the^déep.

6 Thine índignátion lieth hárd *up*^ón mé : and thou hast véxed *me* with áll thy^stórms.

7 Thou hast pút awáy mine acquaín-*tance*^fár from^mé : and máde me to be ab-*hór*-red of thém.

8 I am so fást *in*^prí-son : that I *cán*-not get fórth.

9 My síght faíleth me for vé-*ry*^tróu-ble : Lórd, I have cálled dáily upón thee ; I have strétched forth my *hánds* un-to thée.

10 Dóst thou shew wónders *a*^móng the^déad : or sháll the déad ríse up a-*gáin*, and praíse thee ?

11 Sháll thy lóving-kińdness be shéw-*ed*^in the^gráve : or thy faíthfulness *in* de-stŕuc-tion ?

12 Sháll thy woṅdrous wórks be knówn *in*^the dárk : and thy ríghteousness in the lánd where áll things *are* for-gót-ten ?

13 Unto thée have I crí-*ed*,^O Lórd : and éarly shall my práyer *come* be-fóre thee.

14 Lórd, why abhór-*rest*^thou my^sóul : and hídest *thou* thy fáce from^me ?

15 I am in mísery, and líke unto hím that is at *the*^poínt to^díe : éven from my yóuth úp, thy térrors have I súffered *with* a tróu-bled^mínd.

16 Thy wráthful displéasure gó-*eth*^ó-ver^me : and the féar of thée *hath* un-dóne me.

17 They cáme about me daíly *like*^wá-ter : and cómpassed me togé-*ther* on év-ery^síde.

18 My lóvers and fríends hast thou pút *a*^wáy from^me : and híd mine acquaíntance *óut* of my síght.

Glóry be to the Fáther, *and*^to the^Són : and *to* the Hó-ly^Ghóst.

4 The Lórd is hígh above all *héa*-then : and his glóry a-*bóve* the héa-vens.

5 Whó is líke unto the Lórd our Gód; that háth his dwélling so *hígh* : and yet húmbleth himsélf to behóld the thíngs that are in *héa*-ven and eárth ?

PSALM 114 *In exitu Israel* PEREGRINE TONE

WHËN 'Israel came *óut* of 'E-gypt : ÄND the hóuse of Jácob from amóng the *stránge* péo-plë,

2 Júdah was his *sánc*-tu-a-ry : and 'Israel his *do*-mín-ïon.

3 The séa *saw* thát, and fléd : Jórdan *was* dríven bäck.

4 The móuntains *skíp*-ped like ráms : and the líttle hílls *like* yóung shëep.

5 What aíleth thee, O thou séa, *that* thou fléd-dest : and thou Jórdan, that thóu *wast* dríven bäck ?

6 Ye móuntains, that ye *skíp*-ped like ráms : and ye líttle hílls, *like* yóung shëep ?

7 Trémble, thou éarth, at the *pré*-sence of the Lórd : at the présence of the Gód *of* Já-cöb ;

8 Who túrned the hárd rock into a *stánd*-ing water : and the flínt-stone ínto *a* spríng-ing wëll.

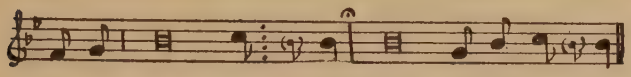
PSALM 118 *Confitemini Domino* TONE VIII



O GIVE thánks unto the Lórd, for he is *grá*-cious : because his mércy endúr-*eth* for év-er.

2 Let 'Israel now cónfess, that he is *grá*-cious : and that his mércy endúr-*eth* for év-er.

3 Let the hóuse of 'Aaron nów con-*féss* : that his mércy endúr-*eth* for év-er.

4 Yéa, let them nów that féar the Lórd con-*féss* : that his mércy endúr-*eth* for év-er.

5 I cálled upon the Lórd in *tróu*-ble : and the Lórd *héard* me at lárge.

14 The Lórd is my stréngth, and my *sóng* : and is becóme *my* sal-vá-tion.

15 The voíce of jóy and héalth is in the dwéllings of the *righ*-teous : the ríght hánd of the Lórd bríngeth *migh*-ty thíngs to^páss.

16 The ríght hánd of the Lórd hath the pre-*é*-mi^nence : the ríght hánd of the Lórd bringeth *migh*-ty thíngs to^páss.

17 I sháll not díe, but *líve* : and decláre the *wórks* of the Lórd.

18 The Lórd hath chástened and cor-*réct*-ed^me : but he háth not gíven me *ó*-ver un-to^déath.

19 'Open me the gátes of *righ*-teous^ness : that I may go ínto them, and give *thánks* un-to the^ Lórd.

20 Thís is the gáte of the *Lórd* : the ríghteous shall *én*-ter in-to^it.
